DEDICATION

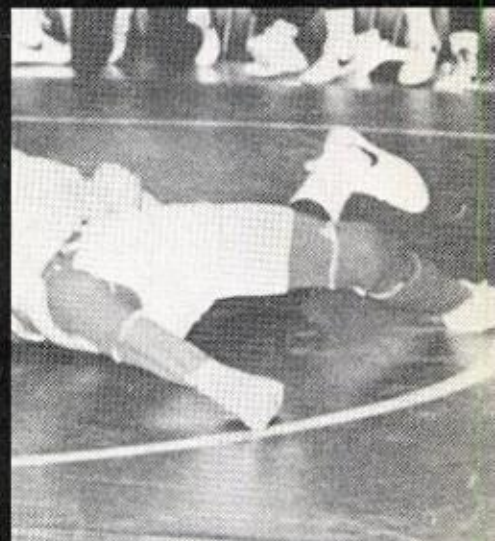

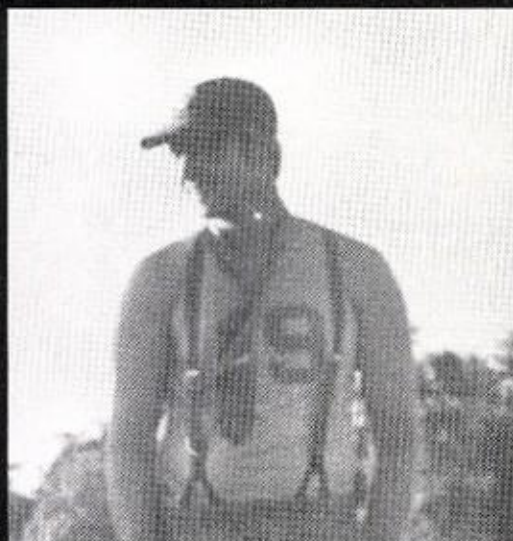

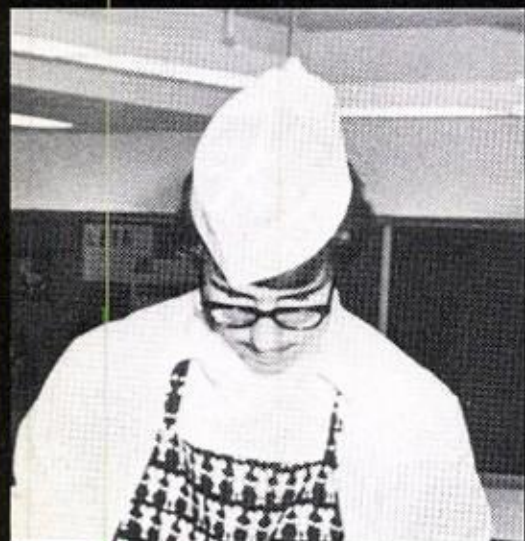

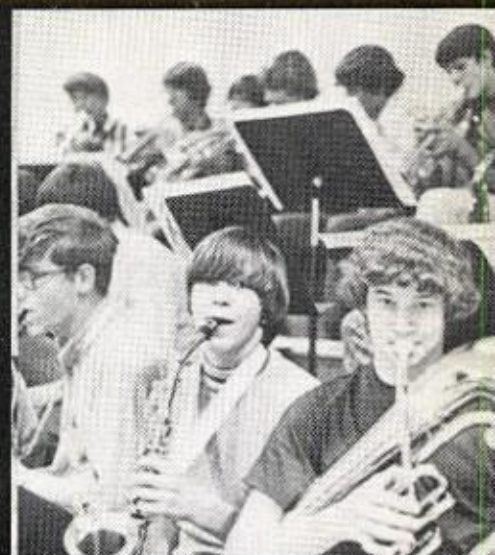

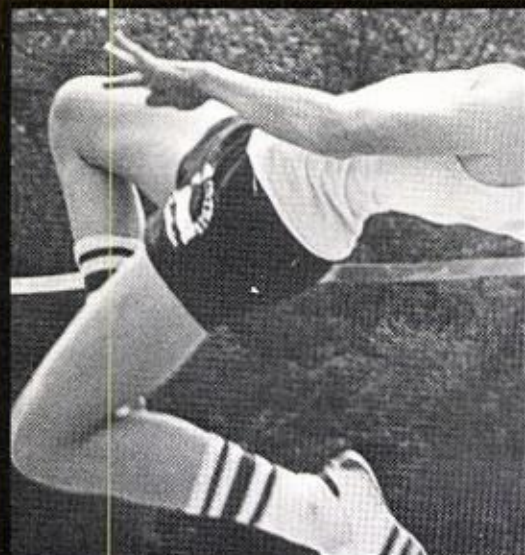

MARY K. PETERS

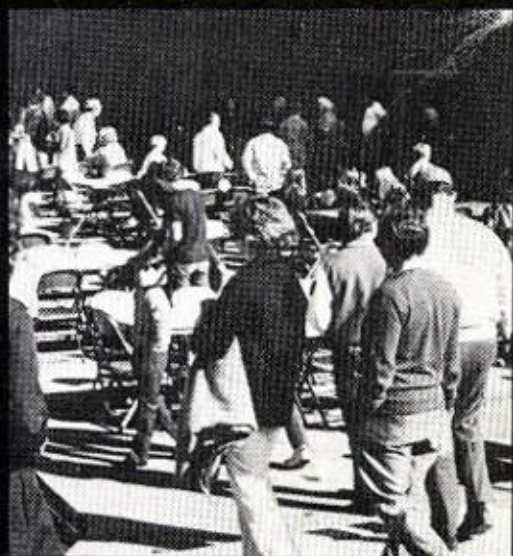

When a yearbook staff wants to dedicate an annual, it must make a difficult decision. Who should be the honored person? Often it is a retiring faculty member or one who has been at the

school for a number of years. The 1973 Phalanx staff had a difficult time finding someone. At one point we decided not to dedicate this year's book. Then when our Editor-in-Chief was not around we considered dedicating it to her. We wondered if it was okay to dedicate a yearbook to a student. Well, why not! Surely, students are as vital to a school as anyone else. Thus we decided to dedicate the 1973 PHALANX to Mary Peters.

In her four years at Martin Luther, Mary has made her presence felt in many ways. Academically, she has used well the abilities our Lord has bestowed on her, and is a member of the National Honor Society. Mary assisted in the cafeteria for four years and is President of the Class of 1973. Mary has participated in Martin Luther's chapel service. In three years on the Phalanx staff, two as Editor-in-Chief, Mary has helped mold the beginning years of Martin Luther's yearbook. Most important Mary has been leading the Christian Life here at Martin Luther. Upon graduation, Mary will continue her education at Concordia Teachers College, River Forest, Illinois.

September 2 was the date of the first big event of the year. The ML Spartans played their first football game of the season against Williams Bay and were victorious, 33 to 6. The game was followed by a beauty contest between the football players, a chicken barbecue and free entertainment. All in all, it was a very exciting, fun-filled day for everyone.

The first day of school was an adventurous one, especially for the freshmen. September 5 marked the beginning of a new and different way of life. For seniors, juniors and sophomores, it meant returning to continue their Christian growth. Whether the day began in uncertainty or confidence, for everyone at ML it began in Christ.

"Let the word of Christ dwell in you richly in all wisdom; teaching and admonishing one another in psalms and hymns and spiritual songs, singing with grace in your hearts to the Lord. And whatsoever ye do in word or deed, do all in the name of the Lord Jesus, giving thanks to God and the Father by him."

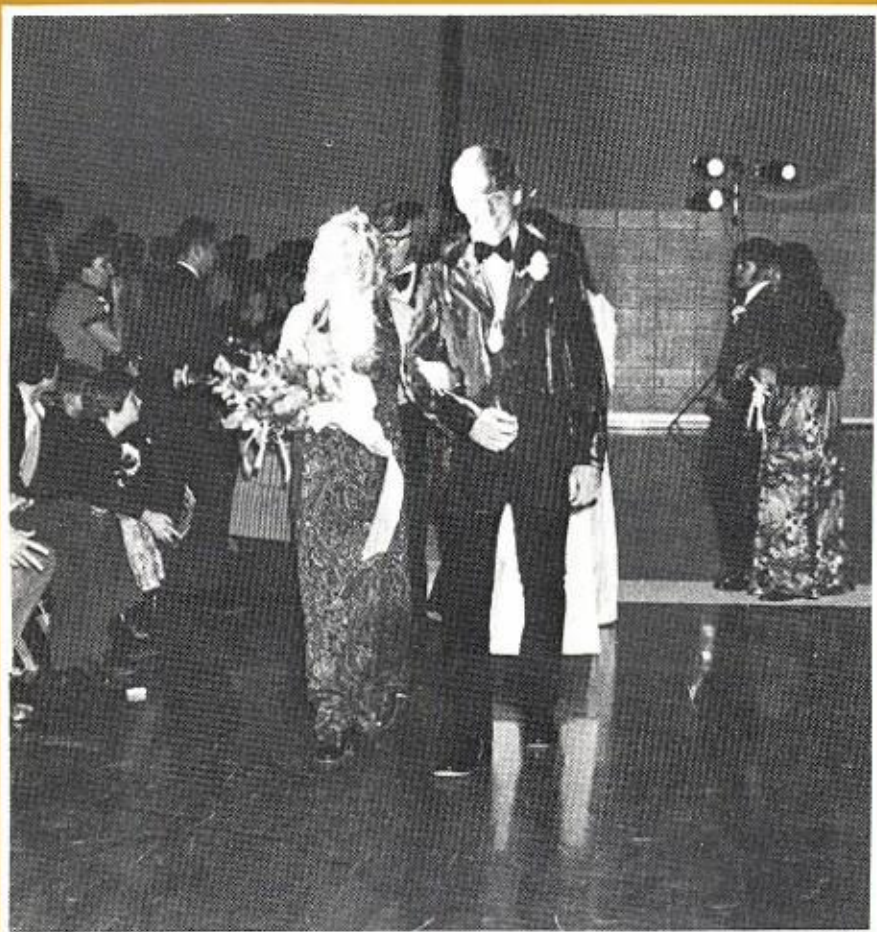

Col. 3: 16, 17

On September 30 the ML Spartans played Wisconsin Lutheran. Although we lost by a score of 20-21, it was a game to remember. We ended the season in a tie for first place with Wisco.

Homecoming 1972 - It was a weekend to remember. The festivities started on October 20 with Coronation. Liz Allwardt and Bill Dahl were chosen as queen and king. A pep rally preceded this featuring the PU cheerleaders. The evening was concluded with a reception. Refreshments were served and entertainment was provided by the Troubadors. The game on Saturday was wet but worth it. The Spartans stomped University School by a score of 8 to 0. A dance concluded the Homecoming weekend.

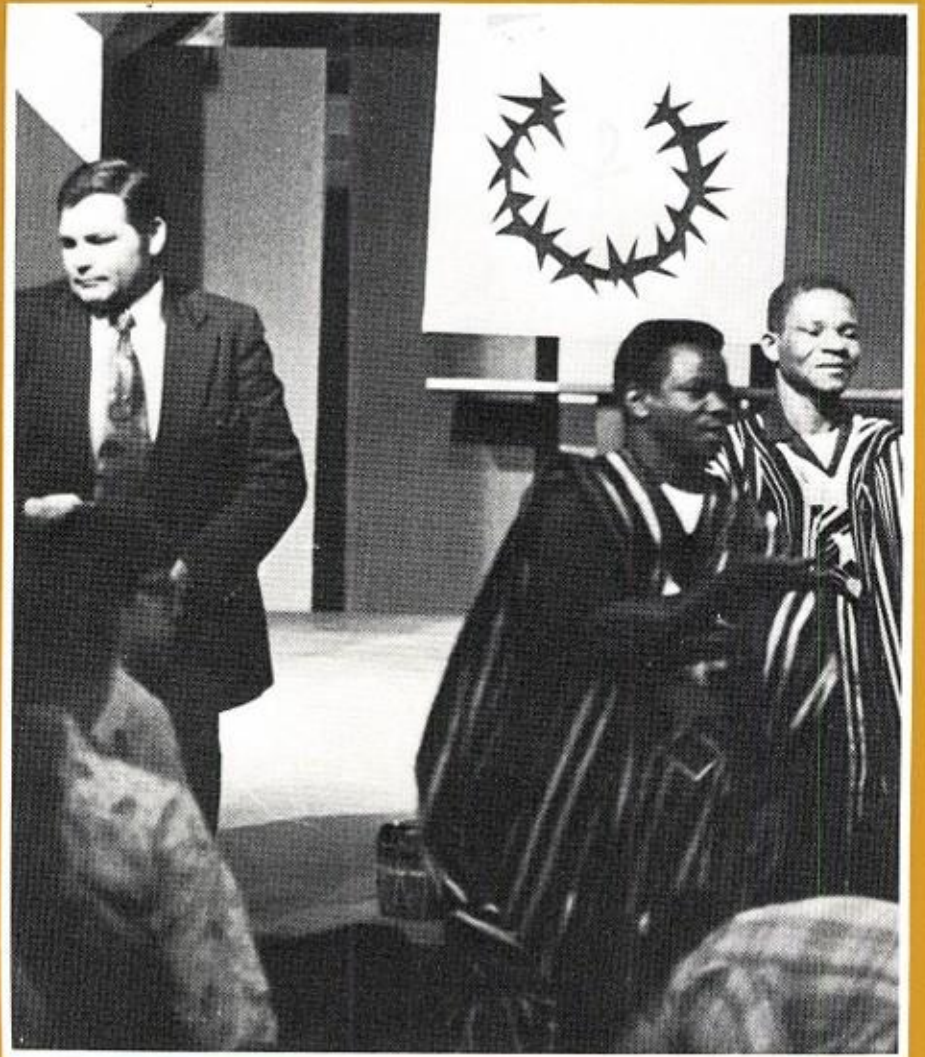

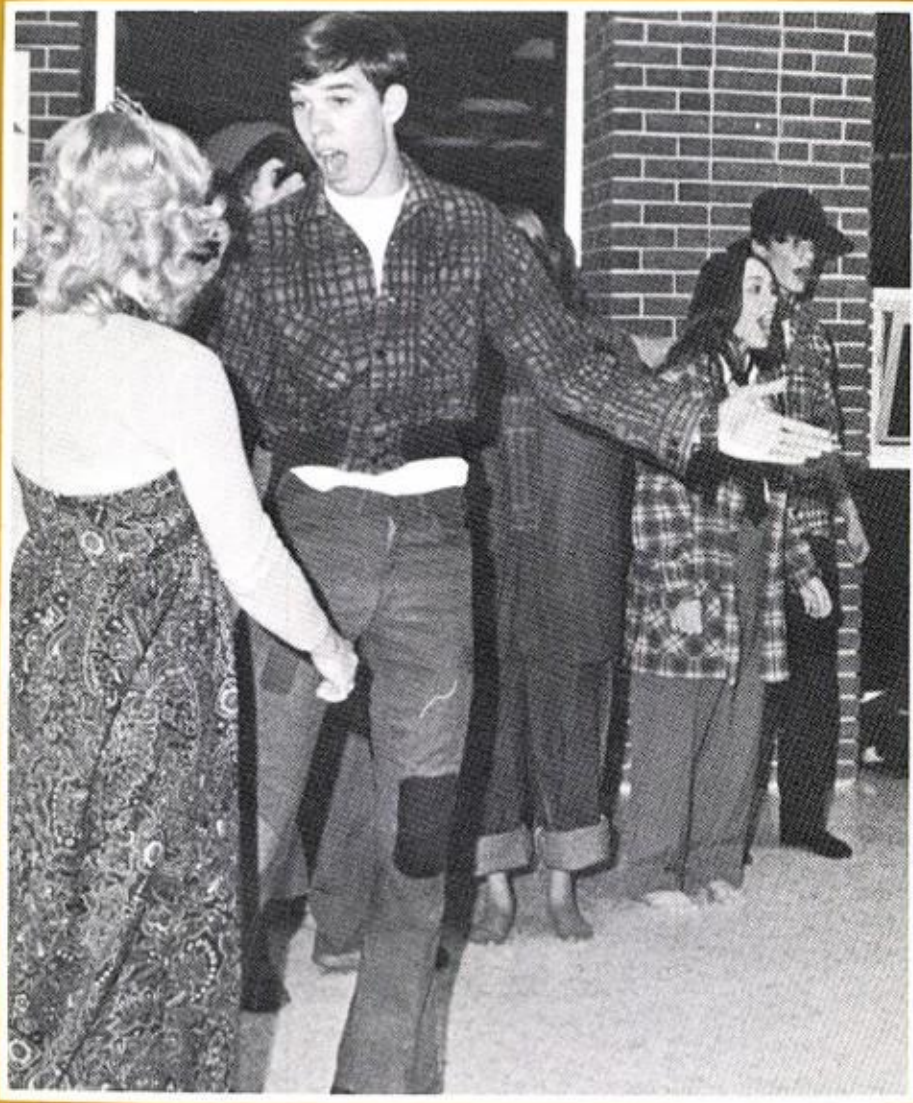

Another highlight of October was the presentation of "A Mighty Fortress is Our God" by the Martin Luther and Milwaukee Lutheran choirs. It was a striking witness of God to all students.

On October 25, Joshua and Mulba from the Kpelles tribe in Liberia spoke to the student body in chapel. Mr. Skip Hubbe from the Lutheran Bible Translators also spoke. A check was presented to them for use in their tribe along with God's blessings on their ministry.

"Go ye therefore, and teach all nations, baptizing them in the name of the Father, and of the Son, and of the Holy Ghost; Teaching them to observe all things whatsoever I have commanded you: and, lo, I am with you alway, even unto the end of the world. Amen.

On November 23 the Girls' Service Club had its first meeting. Mrs. Schwartz is the faculty advisor for the group which meets every Monday. The officers are Chris Stack, Laurie Sorcic, Geri Lyday, and Deidra Edwards. The first project of the club was the distribution of food baskets at Thanksgiving. They have also gone caroling and operate the coat room at basketball games. Through these projects, the girls show their concern for others.

November 25 marked the date of the first home basketball game. The Spartans took on ABE and won by a score of 69 to 65.

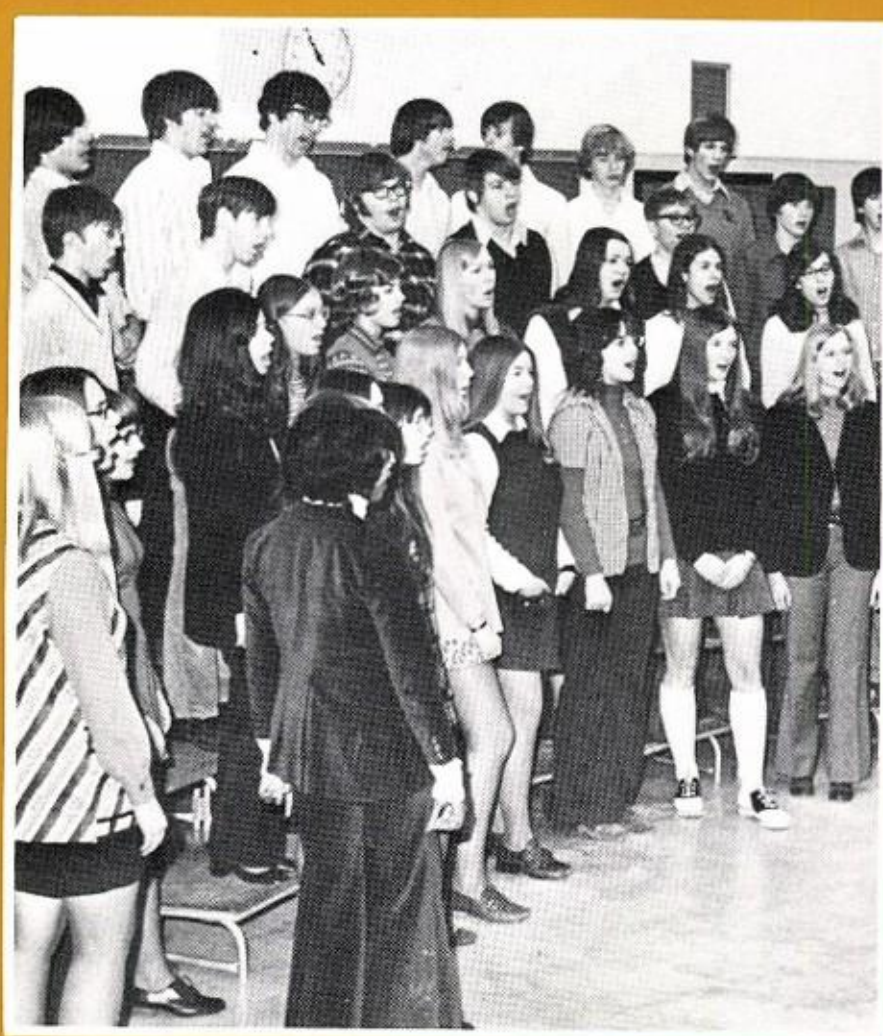

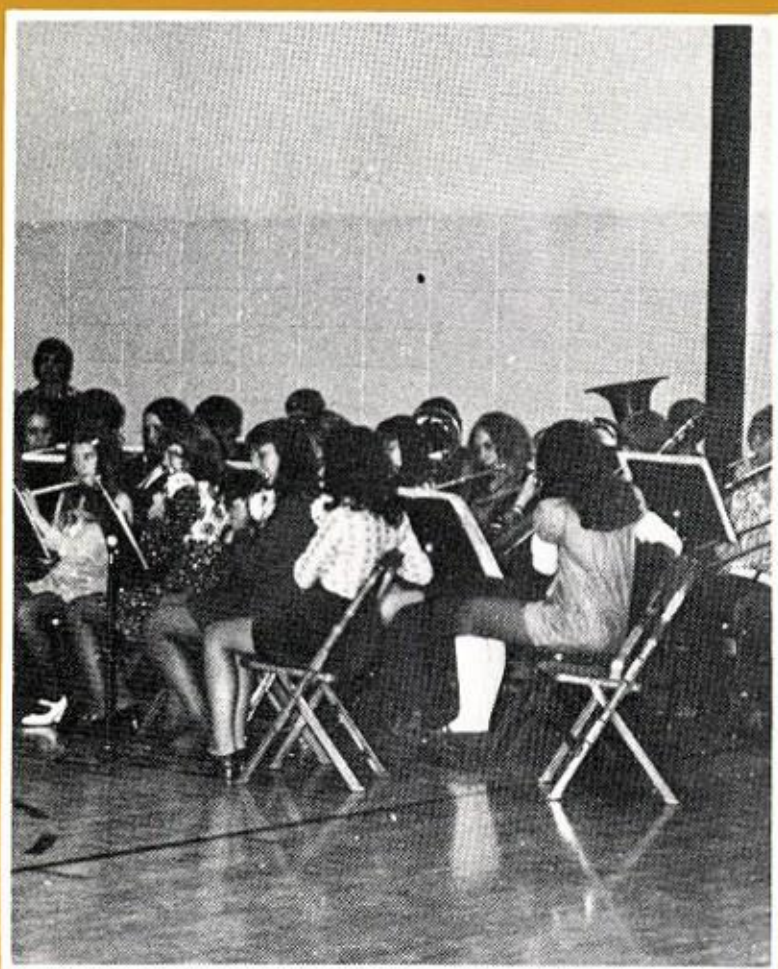

On the 22nd, the ML wrestlers began their season in a meet against Racine Lutheran. The Spartans defeated Racine, 48-17.

One thing that made ML proud of the Varsity Volleyball team was their performance at two volleyball tournaments on December 2 and 9. The girls took second in state. It was quite a day for the team and for their coach, Miss Moore.

On December 9 and 10, the bands and choirs of ML put on their annual Christmas Concert. As in the past, the concert was a great success as all who were involved put forth their best effort to make it so.

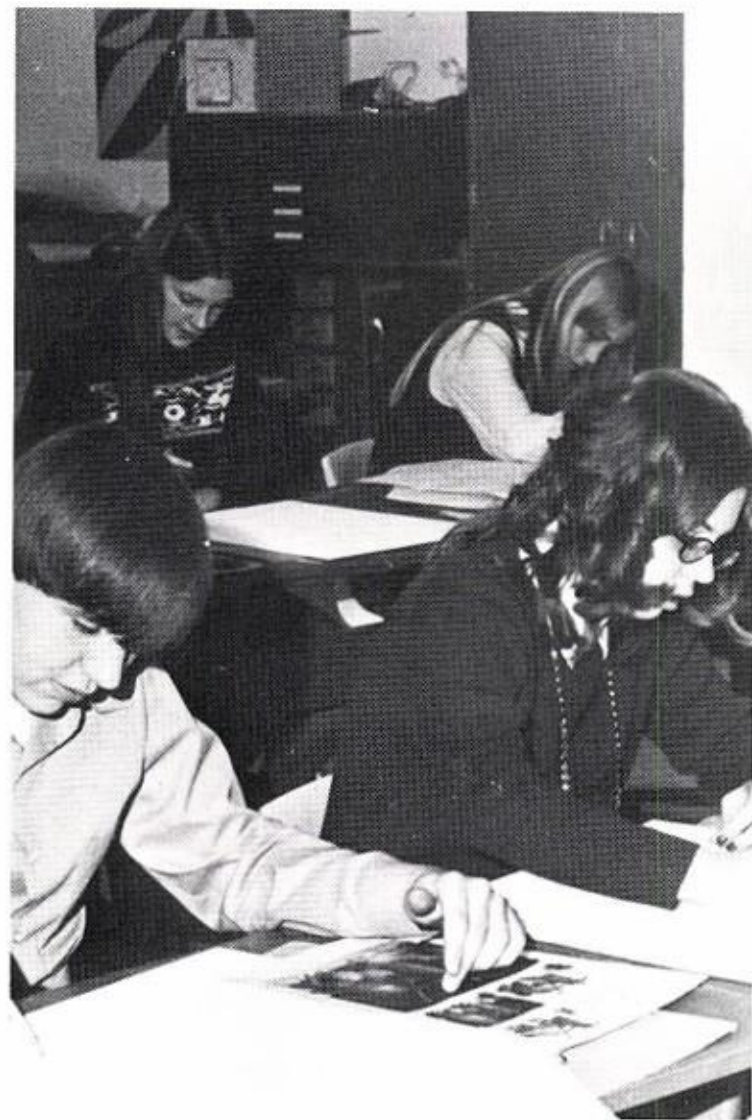

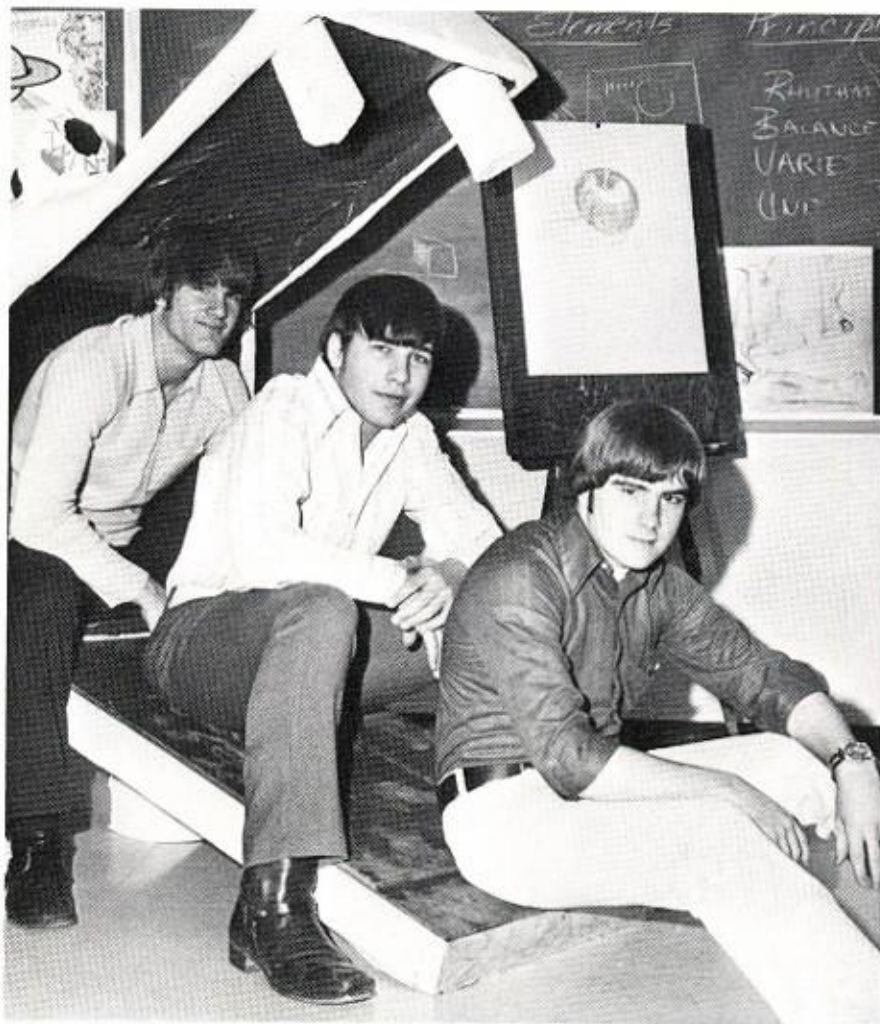

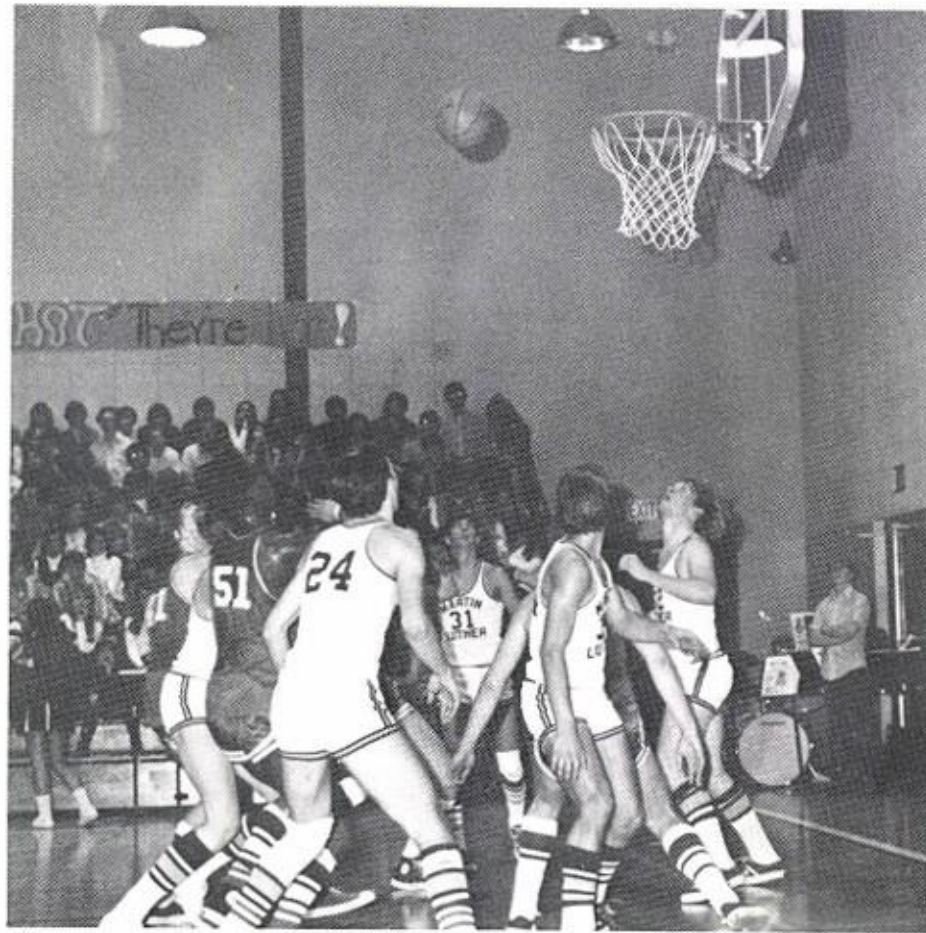

Following the basketball game against Greendale on the 16th, the Men's Club organized a Christmas Program. The band and choir performed Christmas carols.

On December 17, the committee for a Student Commons held its first meeting. The purpose of the committee is to offer a working plan for a student lounge. It is made up of one representative from each class and five faculty members.

One of the biggest basketball games of the year was the one against Milwaukee Lutheran. This year it was on January 5. The Spartans played a good game, but the Red Knights were victorious by a score of 43-41.

This month we also lost a very close friend when Joe Kukla, our maintenance man, left ML to take a better position at the YMCA. He was a wonderful guy and we all wish him God's blessings in whatever he does. At the end of the semester we said good-bye to Mrs. Schneider as well. Miss Wetzel took her place as business and English instructor.

On January 29 and 30, Open House was held here. One of the highlighted exhibits of the Art Department was the giant hippo constructed by Tom Boehm, Lowell Holtz, and Joe Simrell.

The Varsity Girls' Basketball team, coached by Miss Moore, plays in the Municipal League at South Division and are currently in first place. They also play on Fridays against other schools.

First semester finals were taken January 22-25. The students studied hard and worked diligently on their exams. The semester ended January 26.

February was a month for sports. The Mid-West Prep Conference Wrestling Tournament started out the month. It was held on February 3 at Martin Luther. On the 20th, the state regionals for basketball began. Although the Spartans were eliminated in the early stages of play, the guys put forth a good effort all season. The girl's basketball teams also played some very important games against Milwaukee Lutheran on the 23rd. Intramural teams as well as extramurals were active this month as the intramural basketball tournament was begun on February 19.

In all this, the teams displayed good sportsmanship and really worked their hardest to be successful.

March 2 marked the premiere of the play "Charley's Aunt". Glenn Budlow took the lead in the hilarious show with Dave Bangert as Stephen Spettigue. Glenn was a big hit with his long skirt and blond wig and Dave with his slick hair and sinister expressions. The play was a great success.

On March 11, Martin Luther held its annual Fine Arts Festival. Students displayed their achievements in the areas of Art, Music and Home Economics.

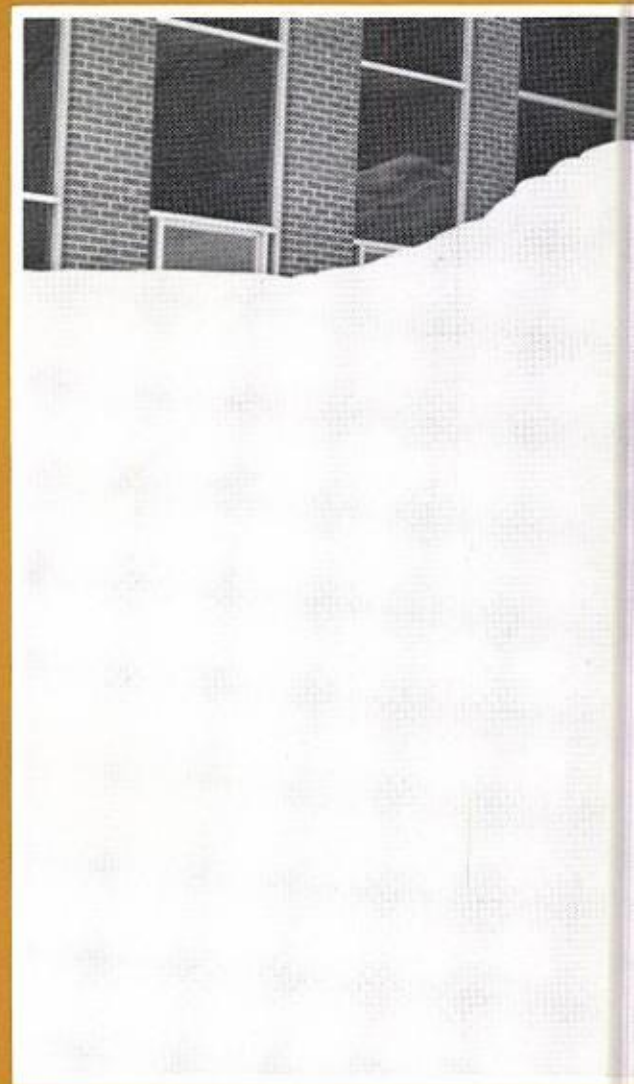

This month, students have been presenting chapel services. Debbie Schiefelbein, Paula Ziehlendorf, and Cindy Joiner presented a chancel drama, one of the many different forms of worship that have been used by students.

"I was glad when they said unto me; let us go into the house of the Lord." Ps. 122:1.

The month of April surprised everyone with a huge snowstorm that kept us out of school for two days. The storm hit on April 9 and we were snowbound April 10 as well.

The snow didn't hold up the Pizza Sale however. On April 14, the Student Council sponsored another sale which was a great success. With the help of many hard-working students, we raised more than enough money to fix the driveway which is what the money will be used for.

This year Easter was celebrated on April 22. As we remember the resurrection of our Savior we can say with Job:

"For I know that my Redeemer liveth, and that he shall stand at the latter day upon the earth."
Job 19:25

May is usually a pretty busy time of year, and this year was no exception. The musical got the month off to a great start. This year we presented "Spotlight... Center Stage". It was held on May 4 and 5. Excerpts from THE SOUND OF MUSIC, SOUTH PACIFIC, HELLO DOLLY, MY FAIR LADY, and CABARET, made the evening a delightful one.

May 6 marked the date of the annual Athletic Banquet. Awards were presented to students for participation in athletics and band. Miriam Bruening and Bill Dahl were chosen as athletes of the year.

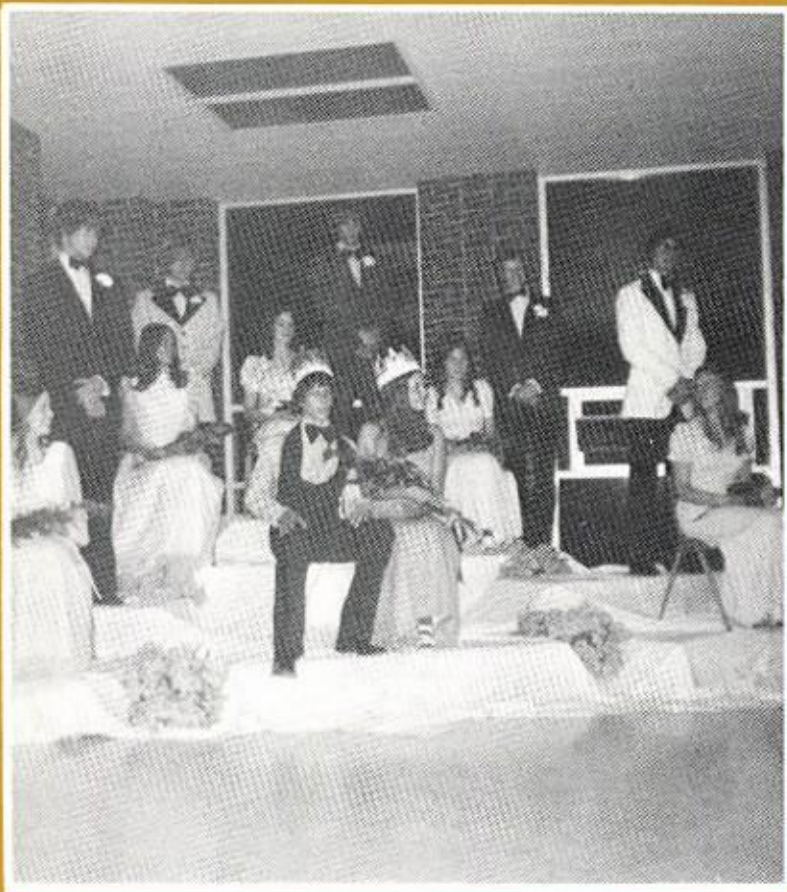

The Annual Spring Concert was held on May 19 and 20. The Concert Band, Jazz Lab, Varsity Band, Chorus, and Concert Choir all contributed to the fine presentation.

All of ML's spring sports teams continued to be active. The Varsity Track team was especially hopeful of a strong finish.

June was, as usual, a busy month for everyone at ML with school coming to a close.

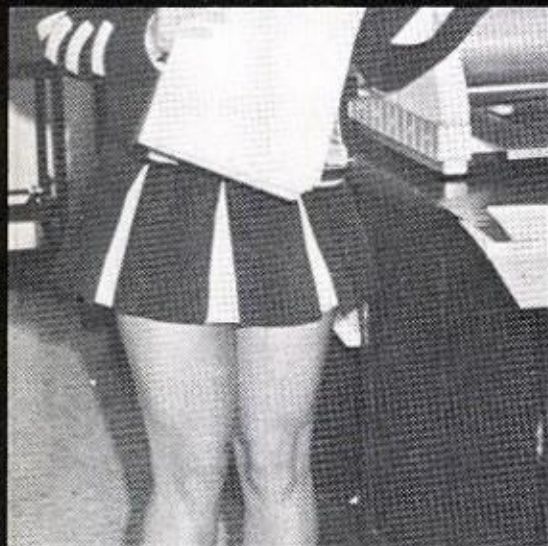

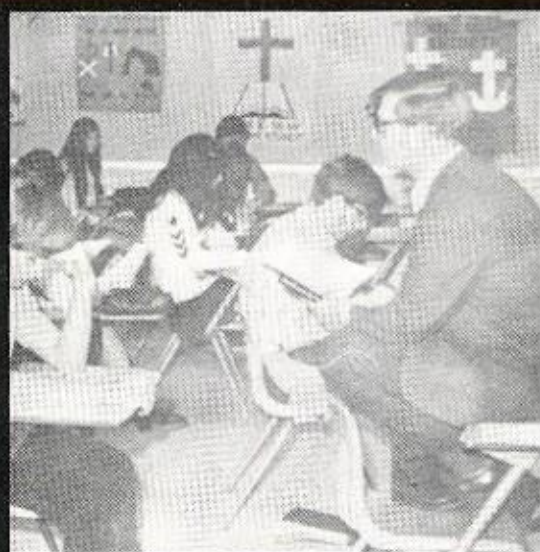

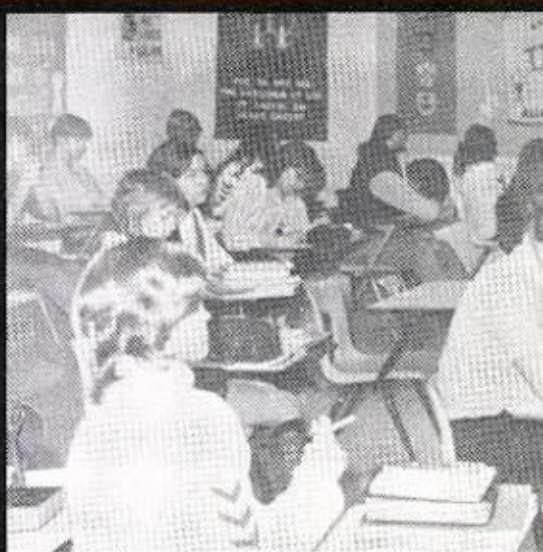

June 1 was Honors Awards Day. Students were presented with awards for scholastic achievement and service to their school.

June 2 marked the date of the Junior Prom. The theme this year was "Jade Spring." Steve Nibbe and Jayne Kaphingst were king and queen.

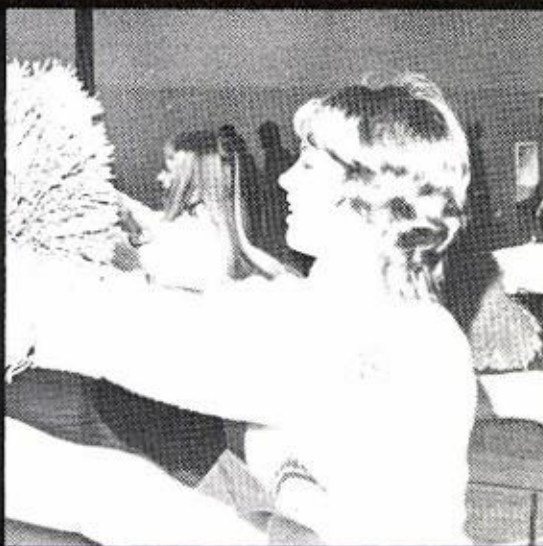

Graduation was held on June 10. Martin Luther said good-bye to many great people. We wish everyone God's blessings as they leave ML.

MICHAEL ROSINSKI

TO THE SENIOR CLASS OF 1973

Christian Living is a way of life to which you have been exposed through your four years at Martin Luther. You were committed to that life in your baptism and renewed that commitment in your confirmation.

The Lutheran churches of the Lutheran High School Association have joined in an effort to make your high school years an experience in learning to know Jesus Christ and His Will for men.

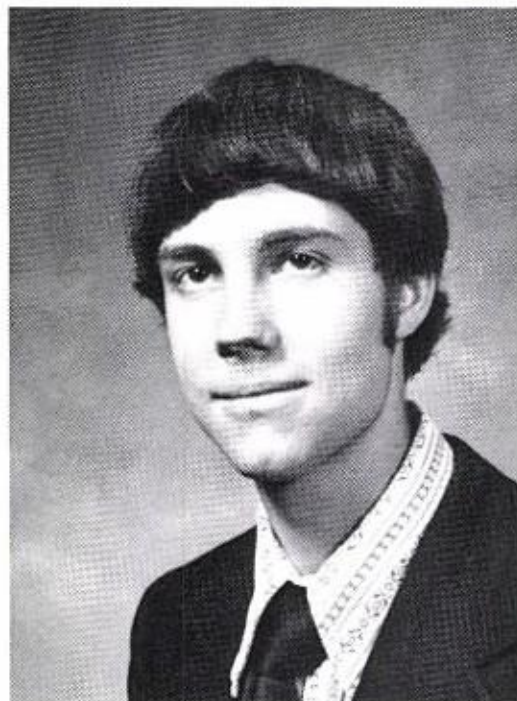

The diploma you receive signifies completion of those four years and your official transcript demonstrates the level of academic achievement you reached. How much more important it would be to give to you some diploma or transcript to indicate the quality of the Christian Life you are living, but that is not a quality which can be measured on human measurement scales.

Unless you continue your education in a Christian school, unless you build for yourself a close relationship with a congregation to continue feeding on the Word and Sacraments, unless you find in your own life a regular pattern of studying God's Word... unless these things happen, the carefully structured Christian exposure you have been living with will end for you.

Christian Living must continue for you, and Christian Living is a pattern of life frustrated by sin. It so often seems that all of our good plans and intentions fail in the overpowering nature of our human sinfulness. Yet, it is in that terribly weak humanness that we find the reason for Christian Living and the power for Christian Living.

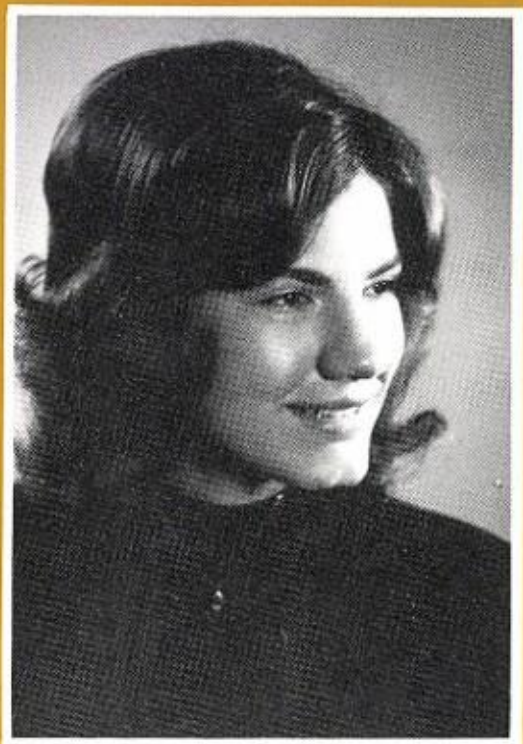

The Christian Life holds for it a promise from God of happiness during the years we live on earth. God has promised that all things work out for good to those that love Him. What works out for our good becomes the happiness we live with. The Christian Life offers to all, through Jesus Christ, the greater happiness of knowing forgiveness and how to forgive. The Christian knows that in Jesus Christ the promise of salvation assures the future in eternity. What greater joy and happiness can there be!

May you in your coming years be powerful witnesses for Jesus Christ in your living the Christian Life. May your homes be founded on the rock of faith. May your work be dedicated as service to God, to His Will for you. Seek diligently for the power of God in your life for only in that power will the life you lead have meaning. God bless you as you continue that search.

RELIGION IS: THOUGHT-PROVOKING, GOOD

The Religion curriculum was highlighted this year with the use of more visual aids, such as the film, BARABAS. The Martin Luther Worship Supplement is a product of the hard work of this department over the summer months. Those who worked on the supplement should be commended for a fine job.

ENGLISH IS: CHALLENGING, BLA, O.K.

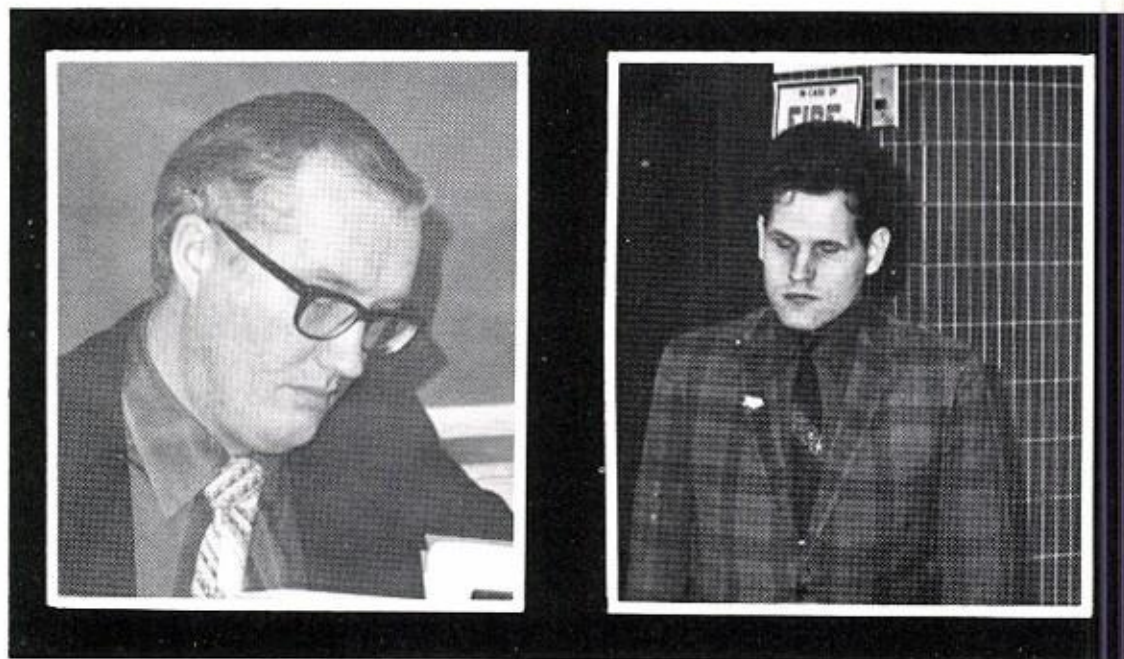

The standard four years of English was varied this year by allowing upper classmen to select their courses within their own capacity. Students in general favored this type program because they were able to take what they wanted to, to achieve necessary credits.

FOREIGN LANGUAGE IS: ARBEIT, FUN, BOO

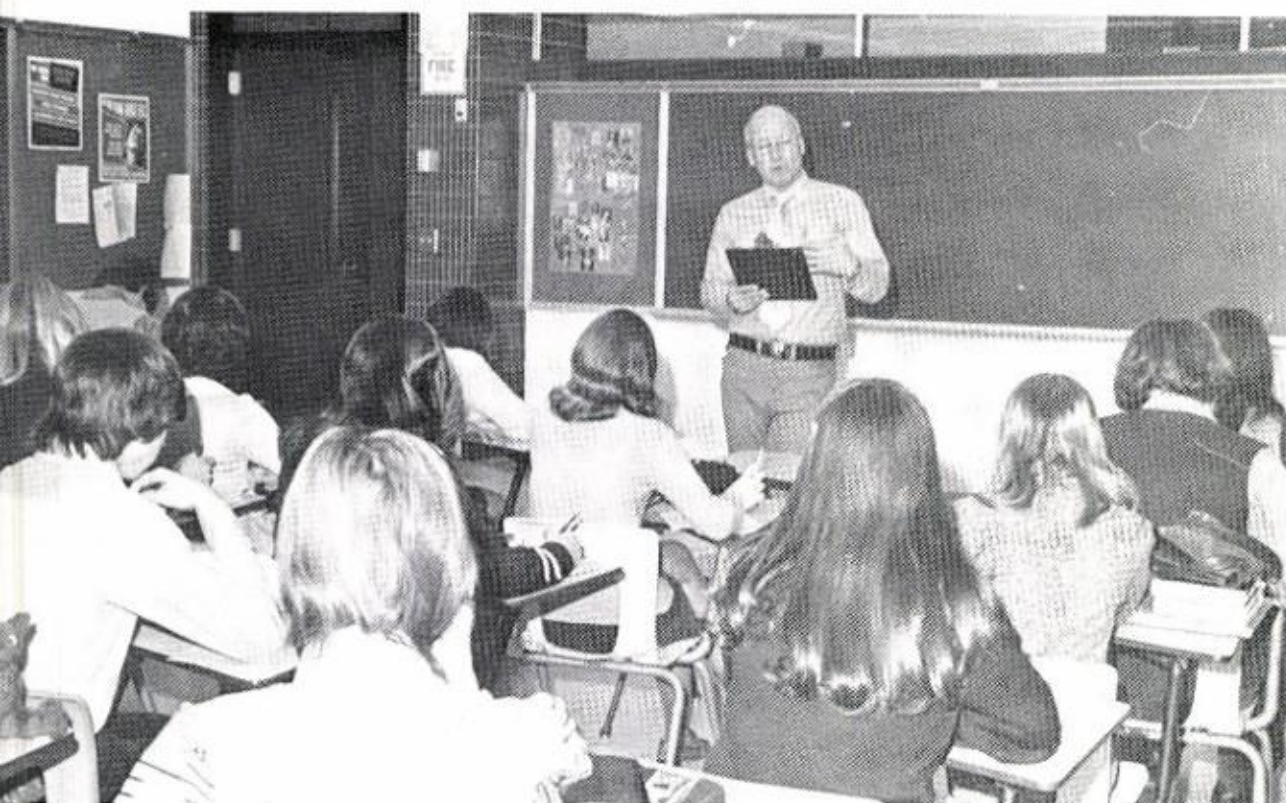

The Foreign Language department is always a featured elective course. Students, for the most part, enjoy studying a different language and find it a challenge.

SOCIAL SCIENCE IS: O.K., PEOPLE, SYSTEMS

The Social Science department was expanded to two full time teachers this year. One feature of this year was the idea of several games played in classes which applied directly to the material being studied.

SCIENCE IS: CURIOSITY ENDEAVORS, WORK

As you can see, there are two types of students who take science courses—those who really put themselves into the work and those who take it easy and try to enjoy themselves. Luckily, Mr. Schneider and Mr. Teetzen were the kind who put themselves into their work.

BUSINESS IS: TORTURE, O.K., PROFITABLE

The Business department added a new course to its curriculum this year - Distributive Education. This course includes contracts and other practical business interests. Students have an excellent opportunity to learn anything from typing to bookkeeping to how to work business machines.

RIGHT: Mr. Hafeman, Mrs. Schneider.

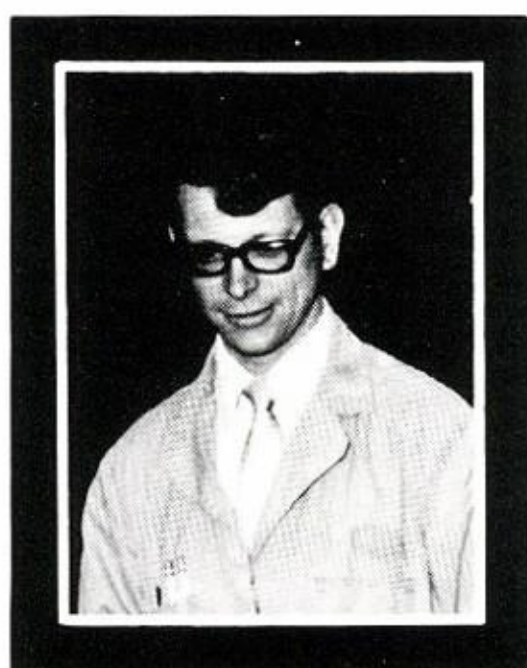

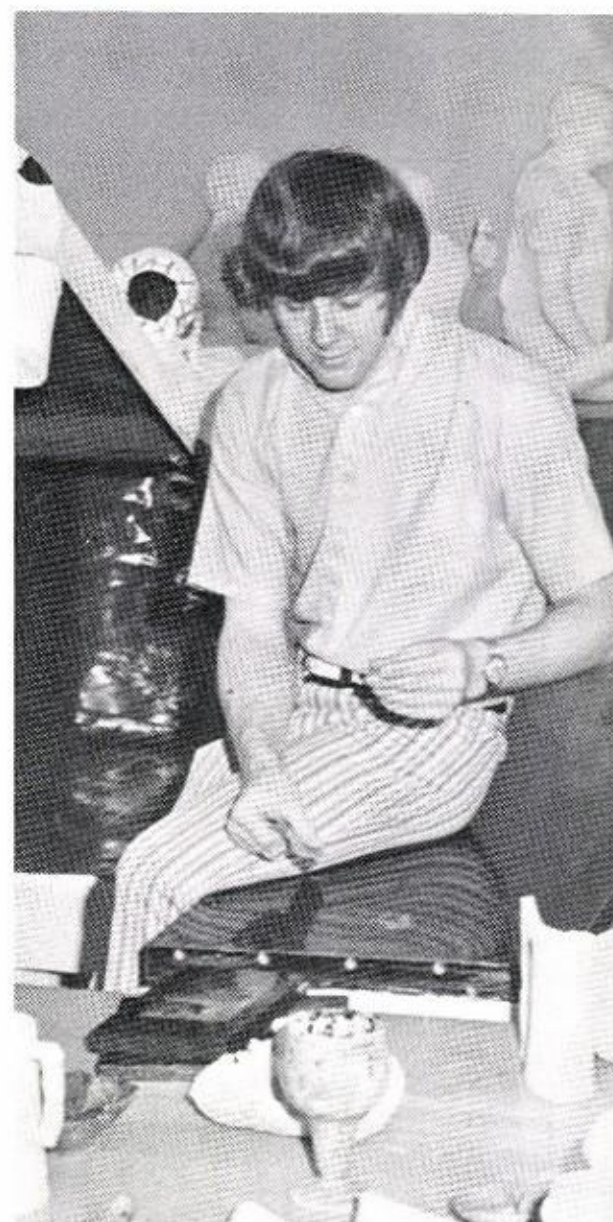

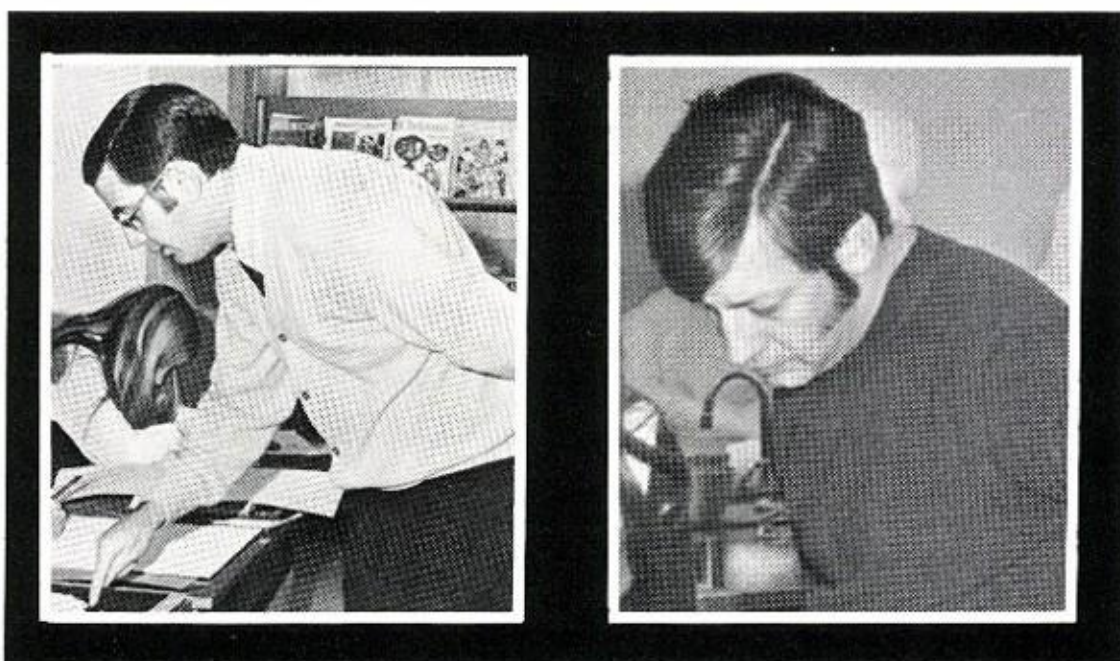

MUSIC IS: FUN, TEAMWORK, INTERESTING

Mr. Krubsack took over all the music courses this year including band, choir, and advanced music. Most of the students involved in music courses agree that it takes good teamwork and effort to produce good quality pieces.

ART IS: EXPRESSING THE SOUL, GREAT SHOP IS: CONSTRUCTIVE, HAND WORK

Another new addition to the curriculum this year was shop. We were able to begin the course through the aid of several institutions in donating money and materials. The art courses were made into semester courses this year, allowing students to take different types of art classes in one year.

HOME EC IS: PRODUCTIVE, FUN, TASTY

This year there was a group of senior guys who will testify to the fact that cooking and sewing isn't all that bad. Most of the girls who ate and examined their products will agree to the idea that they would make great housewives, too. Not only did the boys turn out some nice things, but the girls, once again displayed talent in sewing, knitting, and cooking.

GYM IS: EMBARRESSING, NECESSARY, FUN

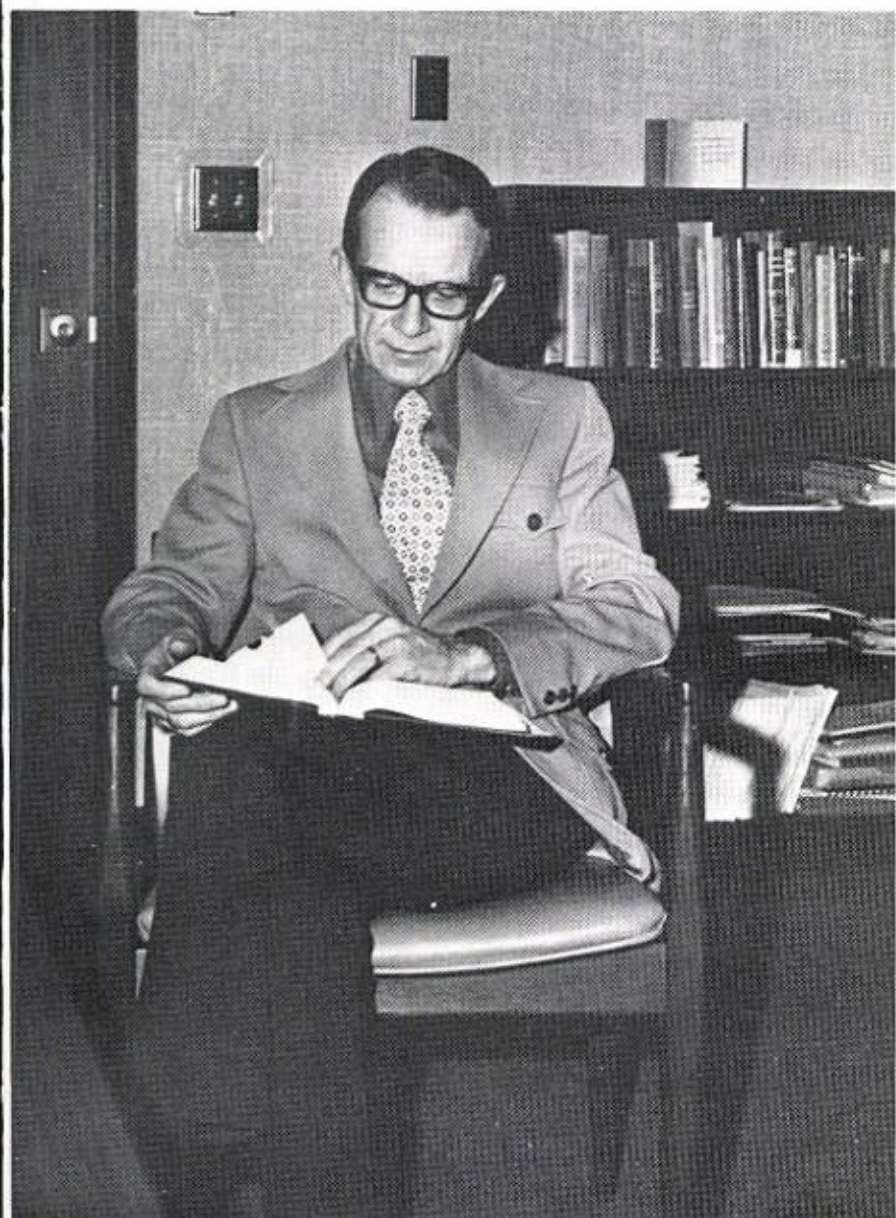

The gym department was also expanded equipment-wise this year. With the donations of many parents and organizations we were able to purchase a weight machine, wrestling mat, and a variety of girls gym equipment. Both the students and teachers give those who donated a big-Thank You!

BAND

A combination of enthusiasm, talent, and pride made this year's concert band the greatest yet. Under the dedicated work of Mr. Krubsack, the director, the band has grown over the past five years from a group of 11 to a group of 60 members, each working and cooperating with each other for the advancement of the band. The band excellently represents Martin Luther High School in all their performances.

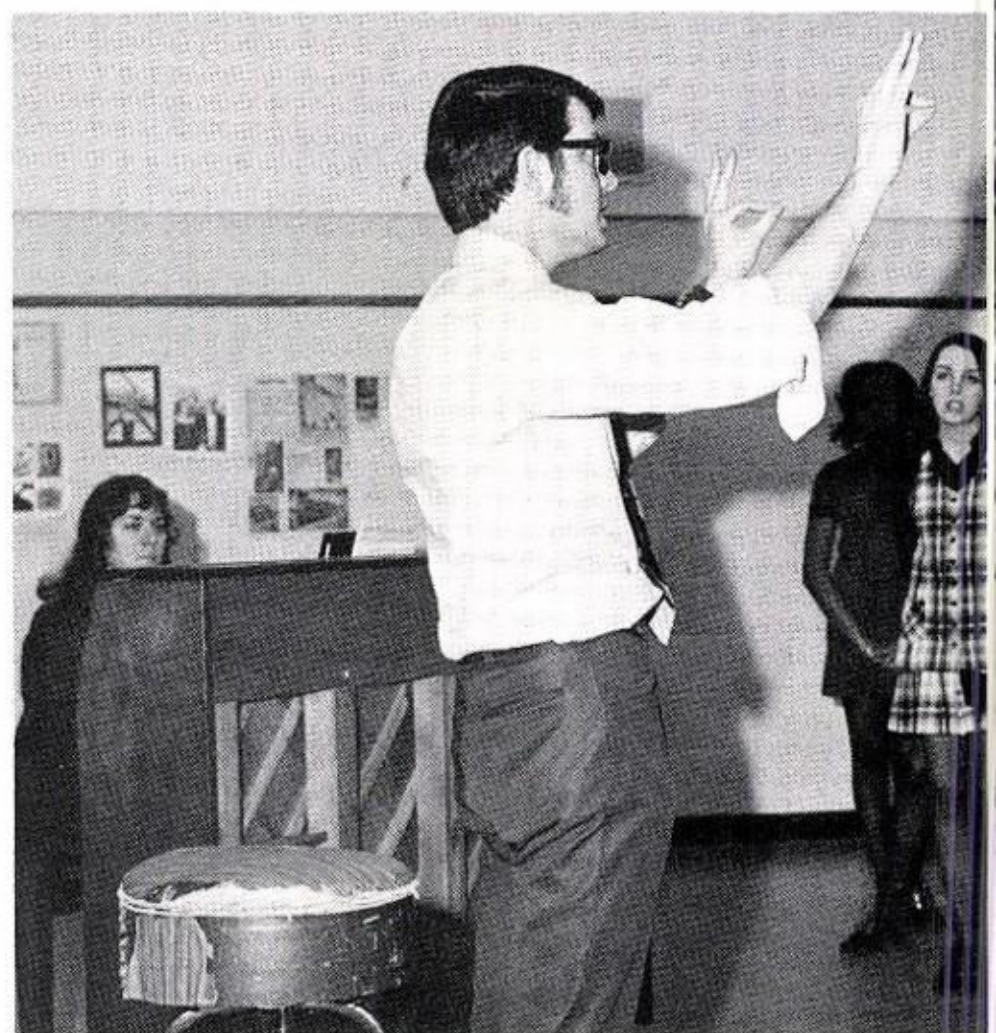

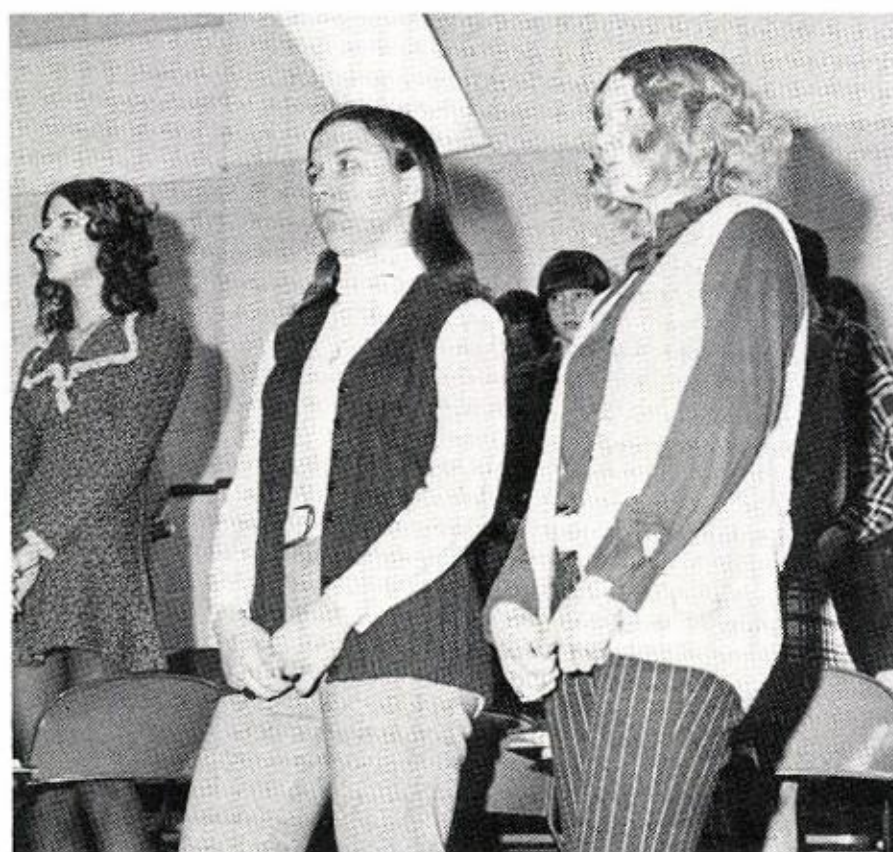

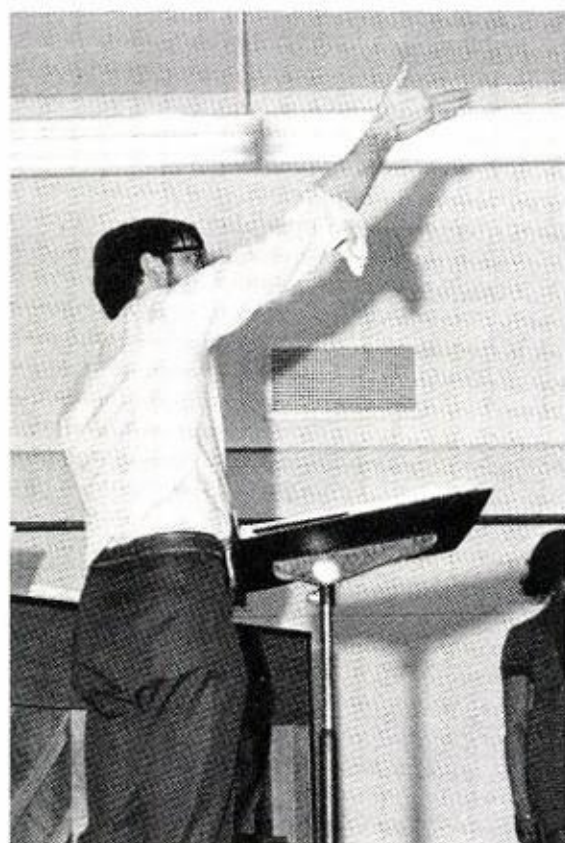

A relatively new group to the ML music department is the Jazz Lab. This group began in May, 1972 and consists of 15 musicians. They play mostly secular songs and perform for area groups which request them. Through these outside contacts, this group, along with all the other instrumentalists at Martin Luther, witness to the world of their faith in Christ.

Through the aid of the brass choir, many worship services at ML and surrounding area churches are enhanced greatly. The brass choir travels with the concert choir and performs for Martin Luther Sundays at area churches about five times a year. Through the religious songs which they play, chapel services become special and richly rewarding.

CHOIR

The Concert Choir has grown in ability and stature, and has become a very worthy member of the Martin Luther music department. Under the direction of Mr. Krubsack, the choir has greatly improved. The choir performs at all Martin Luther concerts as well as witnessing for Christ at area churches.

A first for the choir this year was a Lenten Sacred Concert given at Our Shepherd Lutheran Church in Greendale. The choir hopes to perform this annual concert at different area churches.

TROUBADOURS

"Witnessing to people of Christ's love and salvation" is the purpose of the Troubadours. They perform, by request, for any organization or group. Mr. Burkart, the director, made this year's group fun and exciting. The Troubadours have made appearances at area churches, the Fine Arts Festival, and were among the chorus in this year's musical.

CHEERLEADING

Fun, smiles, and an all around "goodwill" spirit capsulizes the cheerleading season this year. Through the successful football season, and the rough basketball season, the girls led the fans and spectators in cheers and showed our teams that we were behind them all the way.

TOP ROW: Mona Helm, Karen Herzog, Liz Allwardt. MIDDLE ROW: Jayne Kaphingst, Debbie Janowiak, Pat Young, Sue Hilgendorf. BOTTOM: Mary Long.

TOP ROW: Jill Neumann, Pam Berkahn, Laura Hein. MIDDLE ROW: Kim Krebs, Lisa Trotalli, Kim Schneider, Lori Hafeman. BOTTOM: Cindy Smith.

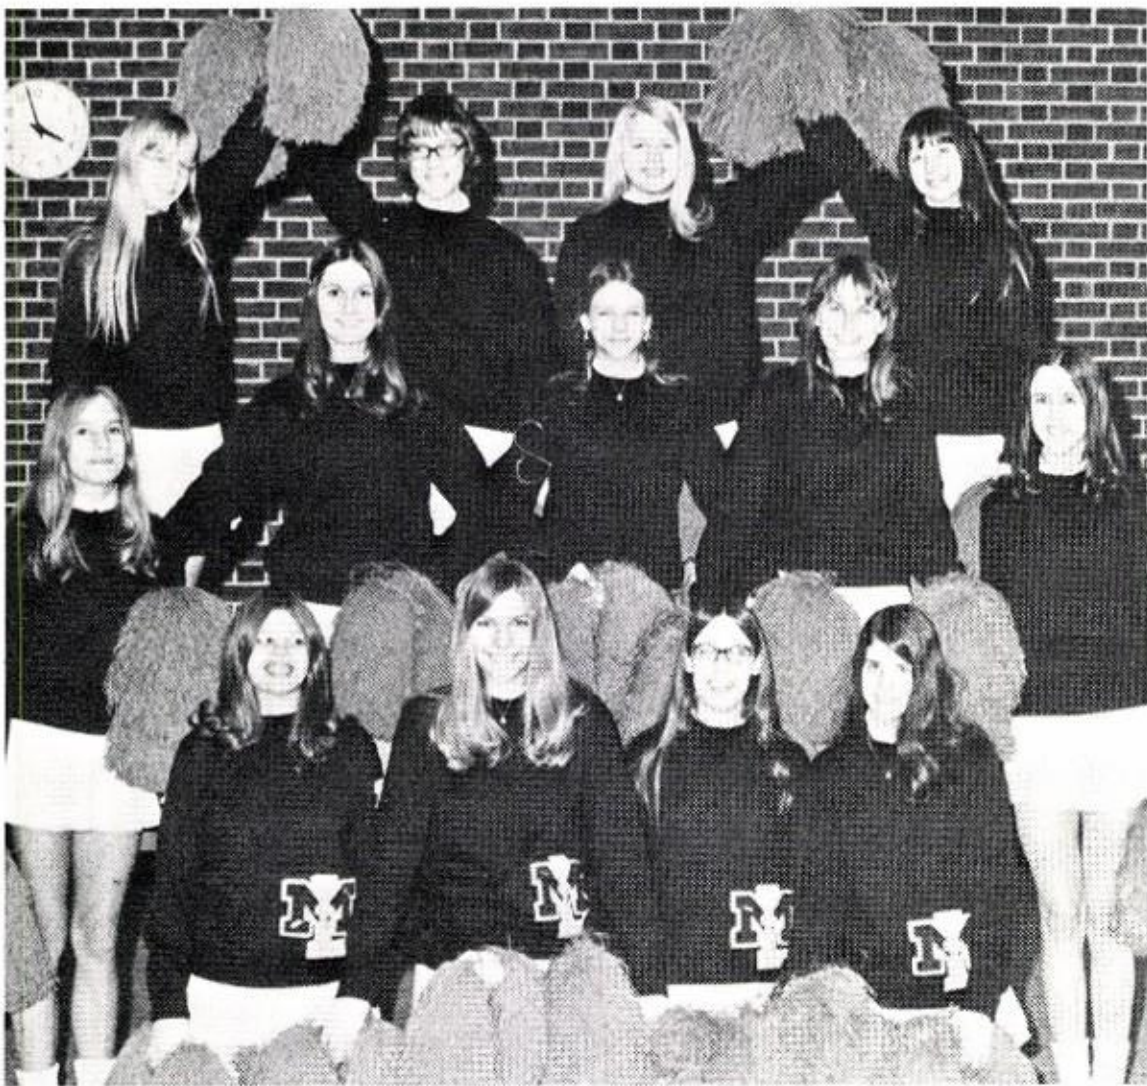

POM-POM SQUAD

A variety of new faces and new routines made this Varsity Pom-Pom season an enjoyable one. The squad extended its performances to include the football season as well as the basketball season. A most memorable performance was the Homecoming game, when the girls persevered through mud and rain to entertain the spectators. The Varsity squad also had the privilege of performing at Milwaukee Lutheran and Concordia College for their games.

The J.V. Pom-pom squad was really great this year. Each performance increased in skill and spirit. They were held back by lack of uniforms, but they showed great determination in doing the best job possible.

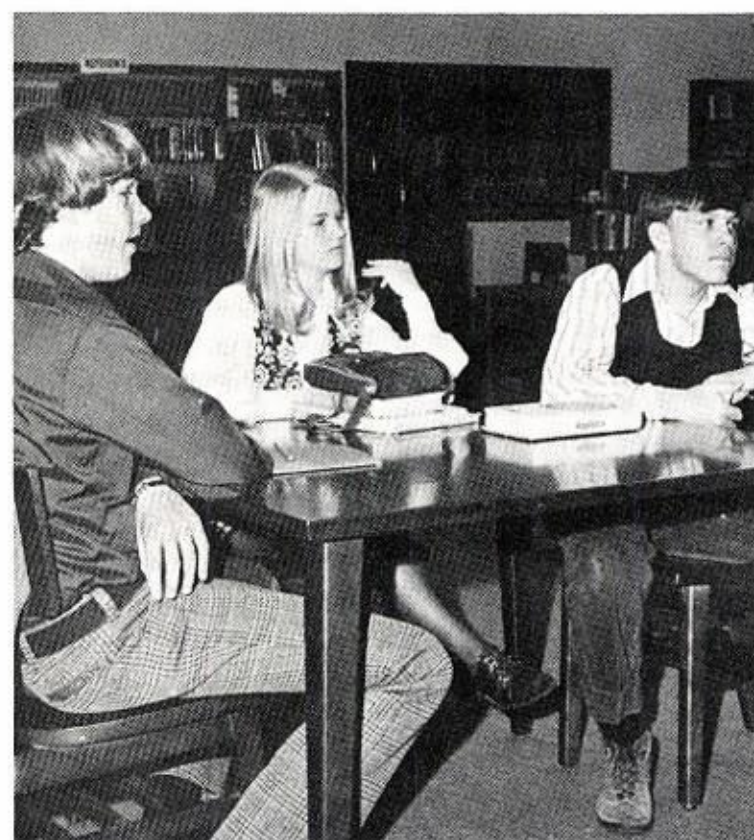

ROW 1: Kathy Grebe (captain), Kathy Bruening, Jeri Franz, Lauri Freyberg. ROW 2: Debbie Kadolph, Ann Grunewald, Diane Berkhahn, Sue Grunewald, Cindy McGill. ROW 3: Janet Yale, Lori Lindenberg, Karen Gieschen, Karin Geohring. Missing-Gail Dachs.

 Art Work - Mr. Richter

The Phalanx staff works
 throughout the year to meet dead-
 lines in order to get the yearbook
 printed and here in time for the
 annual yearbook dance held the
 end of August.

Throughout the pushing and
 prodding of Mr. Gabler, the staff
 works hard, and the finished pro-
 duct is a successful year.

GIRLS SERVICE CLUB

Girl's Service Club is a new organization this year. The group was formed for the purpose of serving the school in various functions and organizing several service projects.

The girls were in charge of the front bulletin board for chapel, checking coats at basketball games, serving food and coffee at banquets, and ushering at school events.

PIZZA SALE

Saturday, April 14, the Student Council sponsored its annual pizza sale. This year, instead of making pizzas from scratch, we purchased ready made pizzas and bagged them ourselves. Over 4,000 pizzas were sold, and the proceeds will go towards repairing the driveway.

HOMECOMING 1972

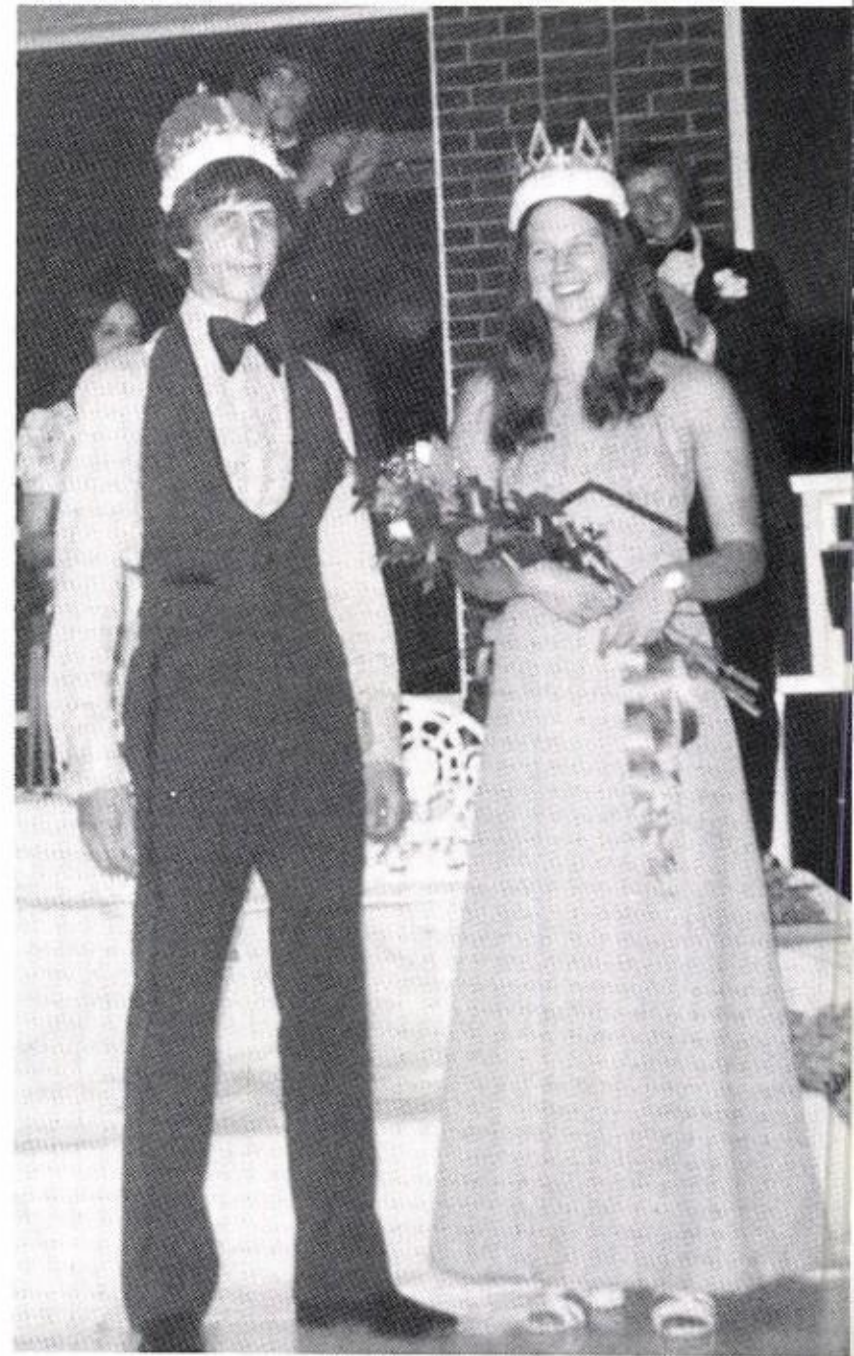

The Homecoming of 1972 had all the ingredients of a great, long remembered weekend. The festivities began Friday night with a Pep rally and coronation. Parents and friends joined students and alumni in a Pep rally for Saturday's game against University. Following the pep rally, the Coronation of King and Queen occurred. Mary Peters and Dave Bangert served as MC's for the evening. The 1972 Homecoming Court attendants were: Jeri Bansemar and Dan Schneider, Jayne Kaphingist and Guy Kennedy, Karla Willi and Ted Green, Pat Young and Marv Wild. The 1972 Homecoming Queen was Liz Allwardt, and King was Bill Dahl. A reception in honor of the Homecoming Court, for alumni, parents, and friends followed. There were tears along with laughter as old friends rejoined each other, and new friends congratulated the Court.

On Saturday, in the cold and rain, spectators watched happily as our Spartans beat University School 8-0 in our second Homecoming game. However the rain did not dampen the Homecoming Dance Saturday night. Music was provided by the Pandamomium Shadow Show. The weekend will long be remembered by all.

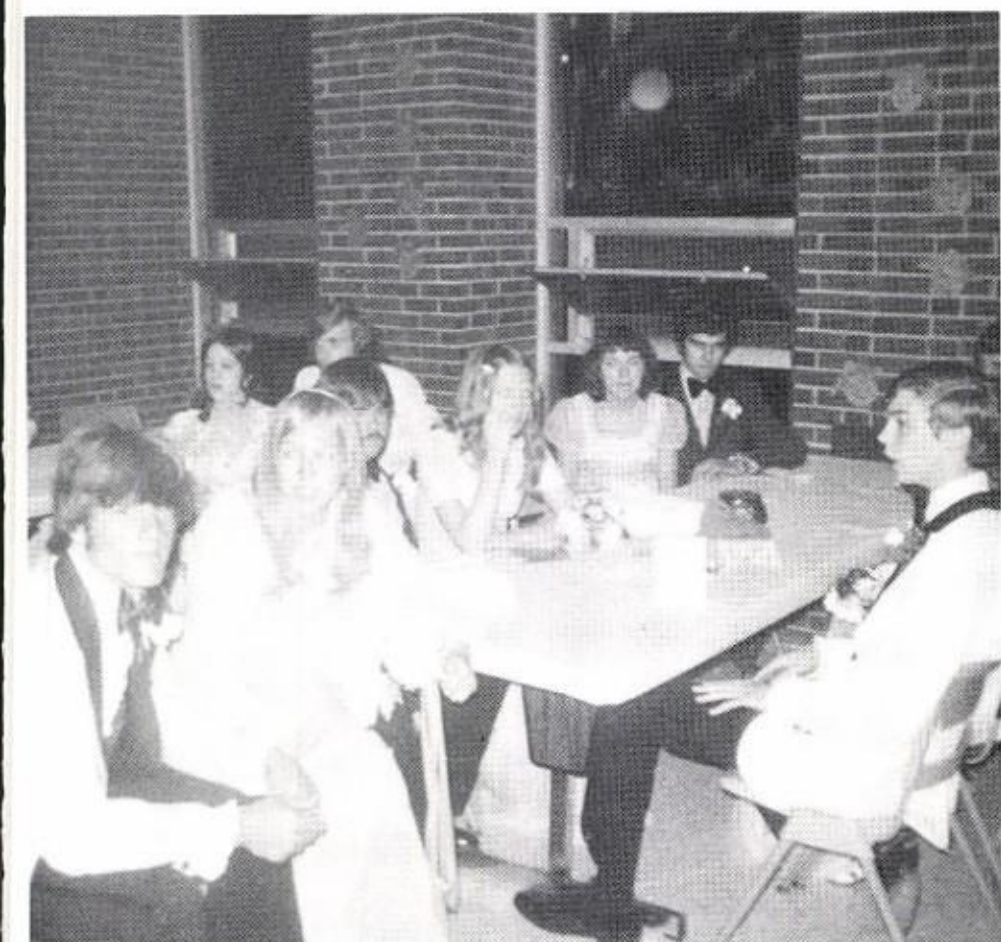

PROM

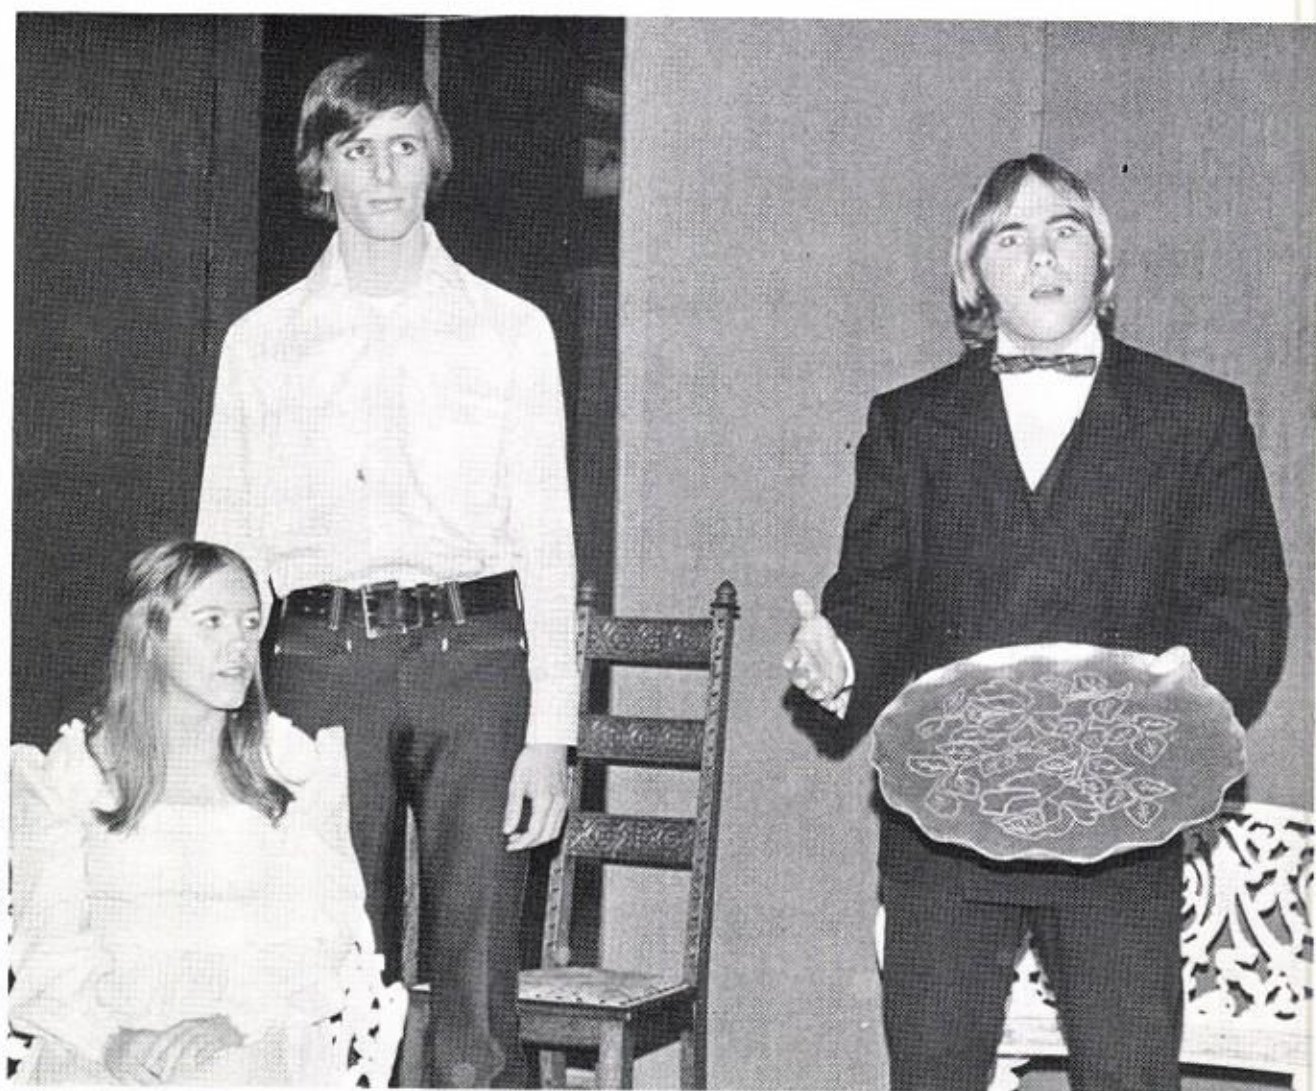

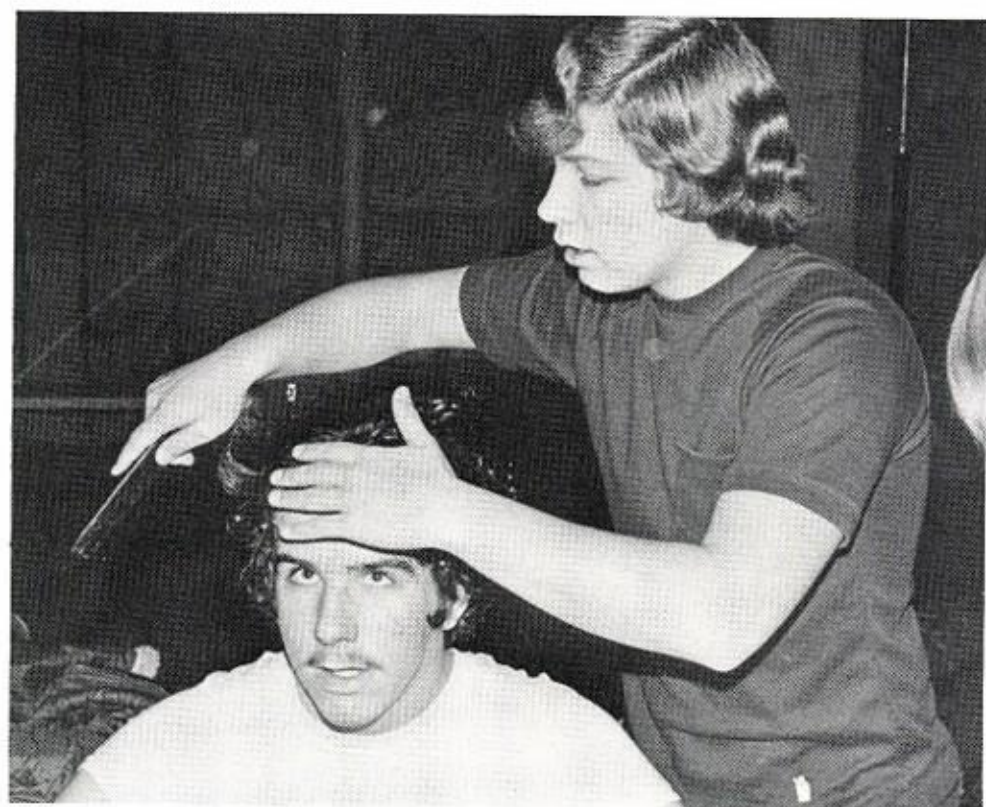

The 1973 Junior Prom, with its theme "Jade Spring", was a huge success. Hanging lanterns, red dragons, goldfish ponds, and a beautiful summer night set the atmosphere for an exciting evening. Music was provided by the "Sheer Soul". A highlight of the evening was the coronation. The attendants for the court were: Jan Eisenhut and Steve Schneider, Debbie Murawski and Bruce Yale, May Long and Jim Drews, Kim Smith and Tim Brunette, and Angie Korth and Kim Frey. Jayne Kapingst and Steve Nibbe were crowned queen and king of the 1973 Junior Prom.

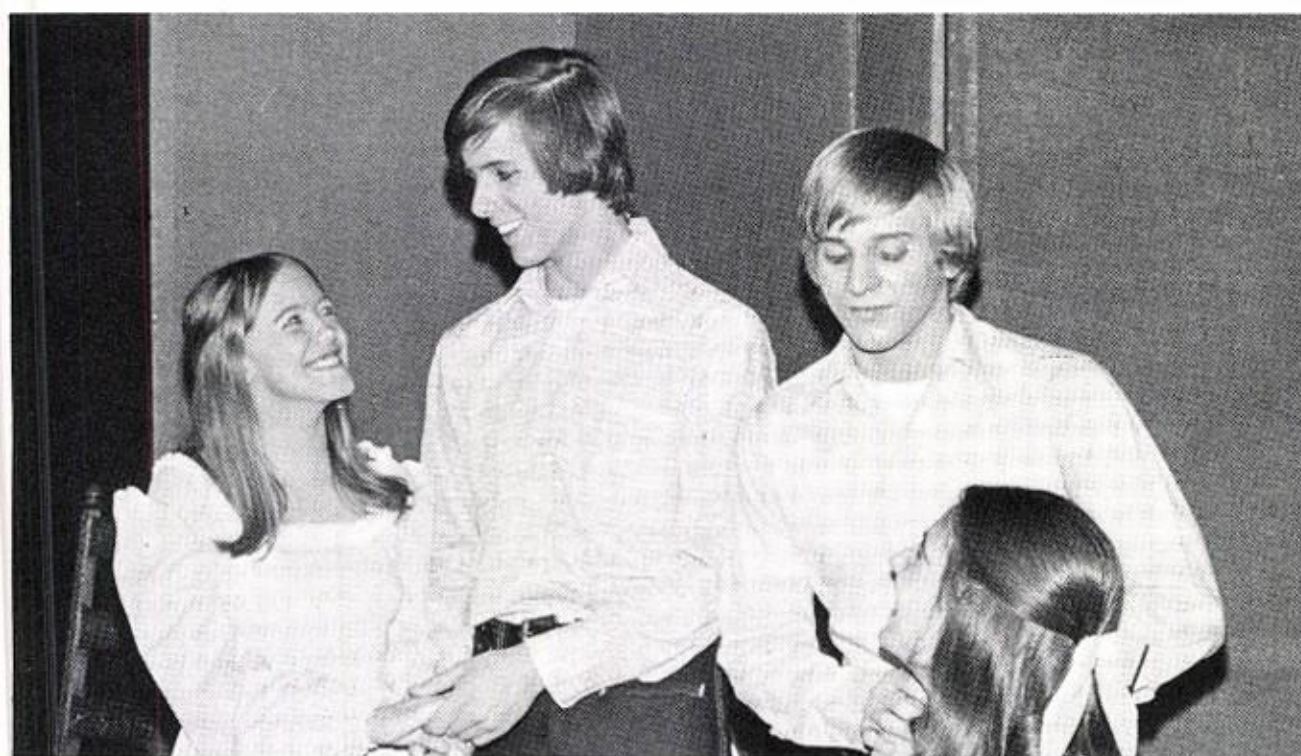

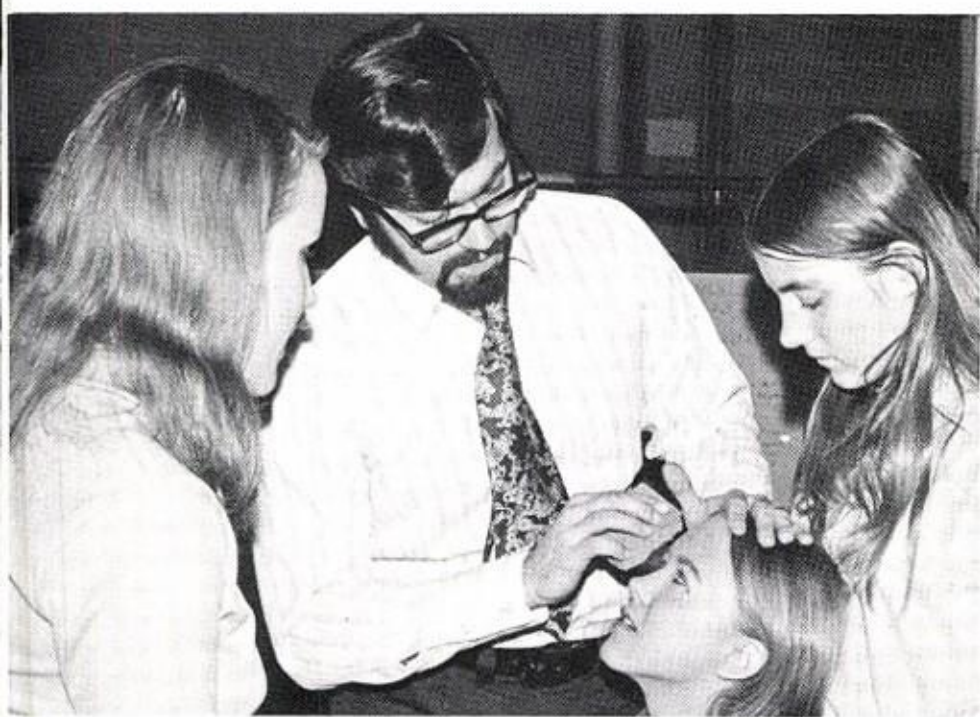

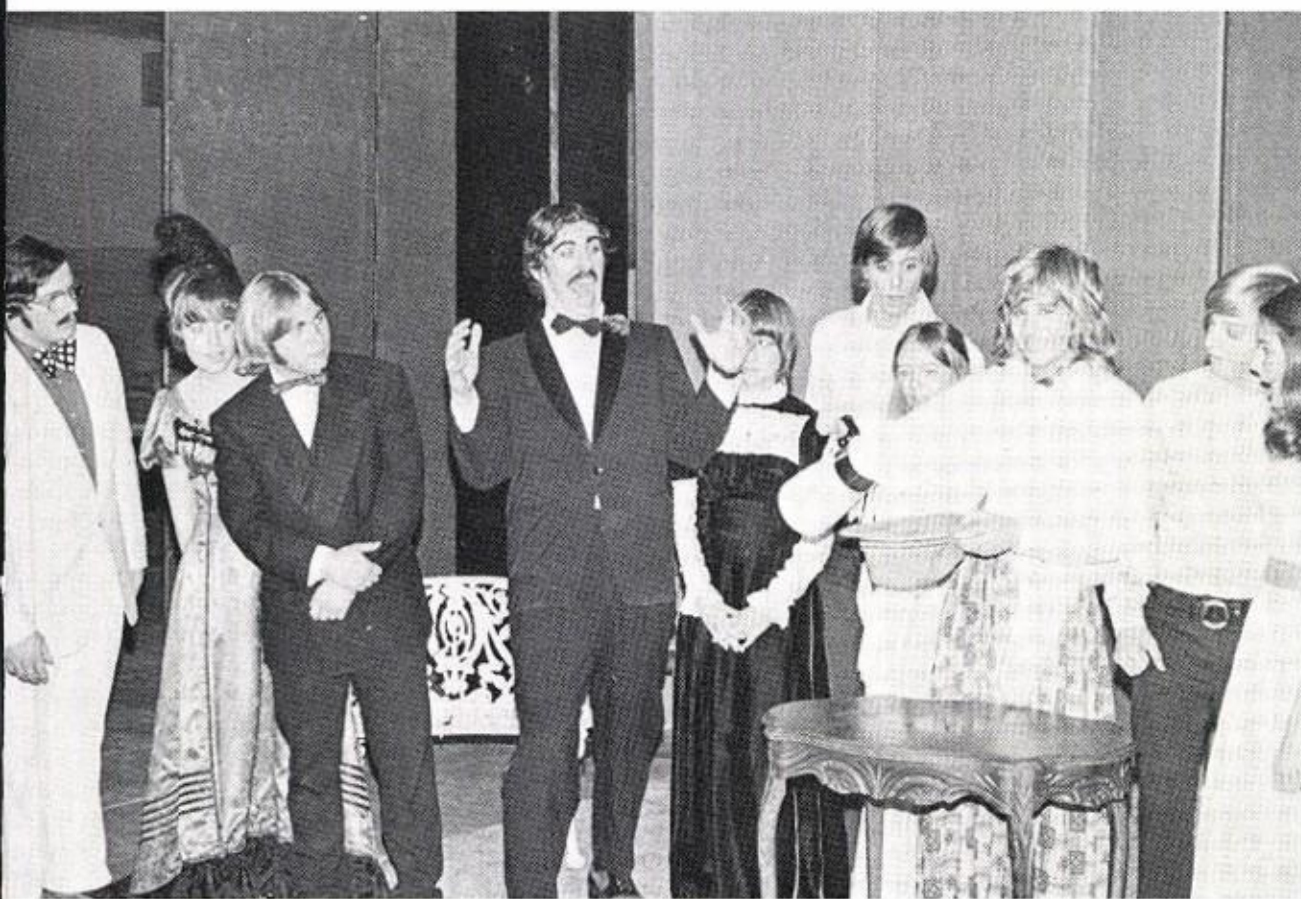

Post-Prom was held at Challet on the Lake following prom. Couples were treated to dinner and dancing in the beautiful atmosphere surrounding the lake.

DRAMA

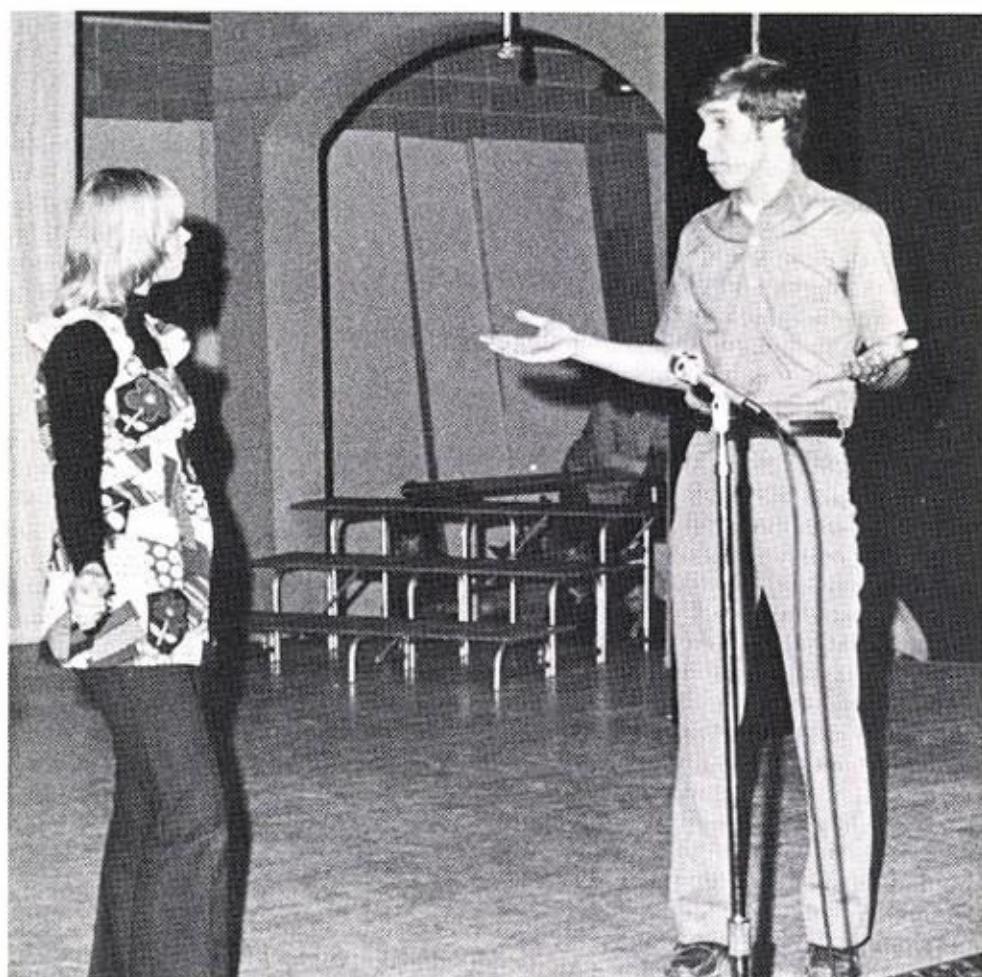

The drama production this year at ML was "Charley's Aunt" which was performed the first weekend in March. The play was a great success. Hard work on the part of the cast and the directors, Mr. Burkart and Mr. Chapman, made the play an enjoyable experience for all who had the pleasure to see it.

Mr. Burkart hopes to have three productions next year. The students showed a great interest and many people tried out, though only ten could be chosen. For this reason, the drama department will hopefully grow and expand to accommodate the interest of all people involved.

MUSICAL

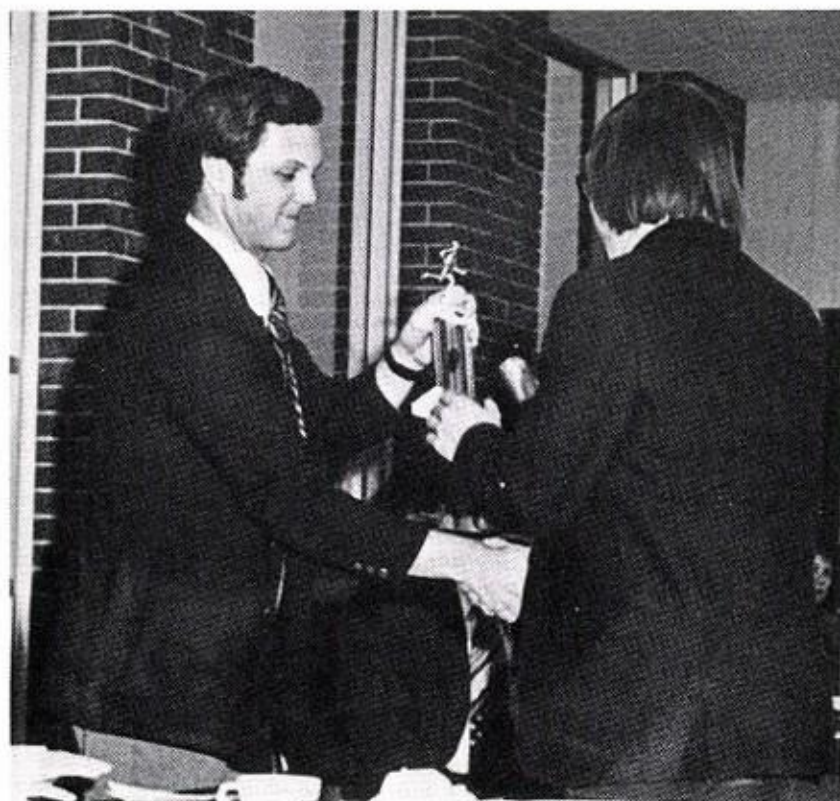

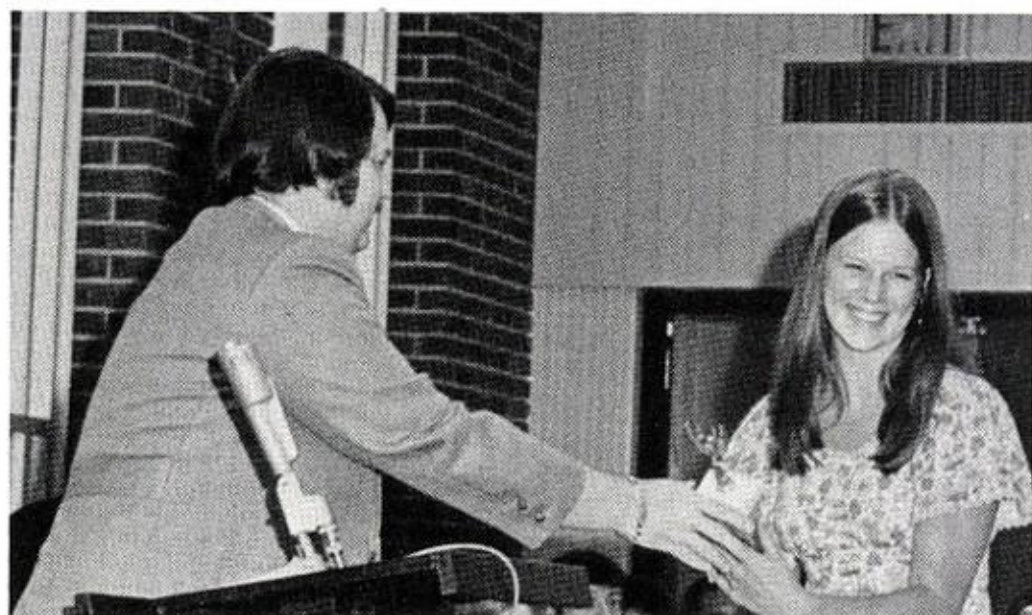

"Spotlight... Center Stage," performed May 4 and 5, was an outstanding success. Spotlight is a musical which takes the audience through a night on the town with tickets to see plays, movies, concerts, and attend the Cabaret. This included excerpts from musicals such as *My Fair Lady*, *Camelot*, *South Pacific*, *The Sound of Music*, and *Cabaret*. The question "What do the simple folk do?" was answered as the musical progressed; they whistle, they sing, they dance, and mainly just enjoy themselves. And everyone involved in Spotlight did enjoy themselves, cast and crews, as well as the audience.

The production of Spotlight was aided by many faculty members such as Mr. Burkart, Mr. Krubsack, Mr. Chapman and Mr. Richter; and students such as Dave Kowert, Steve Nibbe, Lynn Courley, Al Weil, and Gary Learned. All totalled, over 100 students became involved in numerous capacities to help put the show together. This production was a first at ML in the sense that students mainly planned, formulated, produced, and headed many of the committees and crews. Mr. Burkart commended the students on their fine job and expressed hope of carrying this student involvement over into future years.

ATHLETIC BANQUET

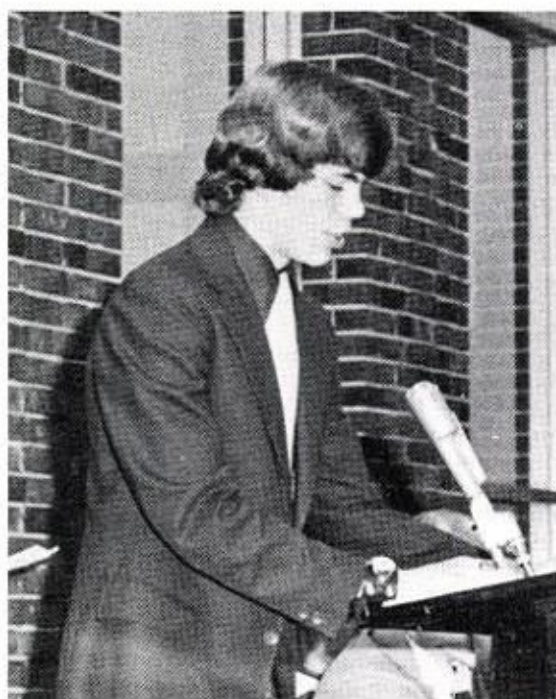

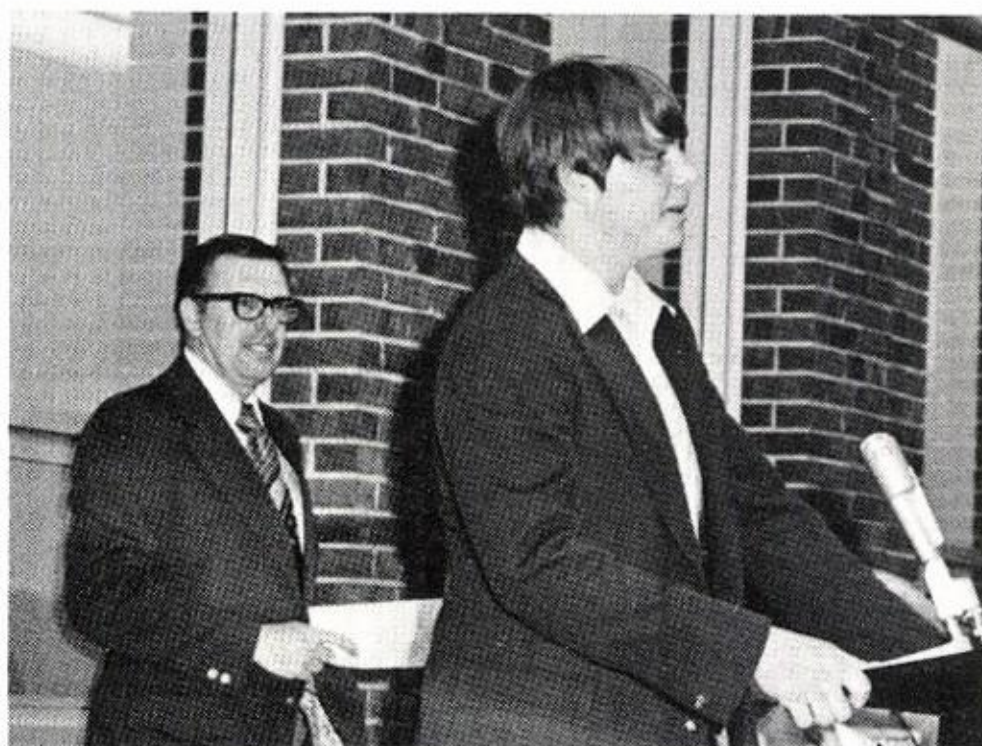

The third annual Spartan Athletic Banquet was held May 6 this year and was clearly an enjoyable night for all who attended. After a marvelous meal, the coaches presented various awards in their specific sports, and members of teams commented on their specific seasons. Several students received numerous awards. Dave Krenz received Most Valuable Player for cross country and track; Pat Young received Most Valuable Player for volleyball and Most Improved Player for basketball; and Bill Dahl received Most Valuable Player for football and basketball, as well as receiving the award for outstanding boy athlete of the year.

Several new awards were handed out this year. Miriam Bruening received the Outstanding Girl Athlete of the Year award for her involvement in sports and extra-curricular activities. The Music Man of the Year award went to Jeff Dey for his leadership in pep band. Dave Meier received an award for best percentage of free-throws.

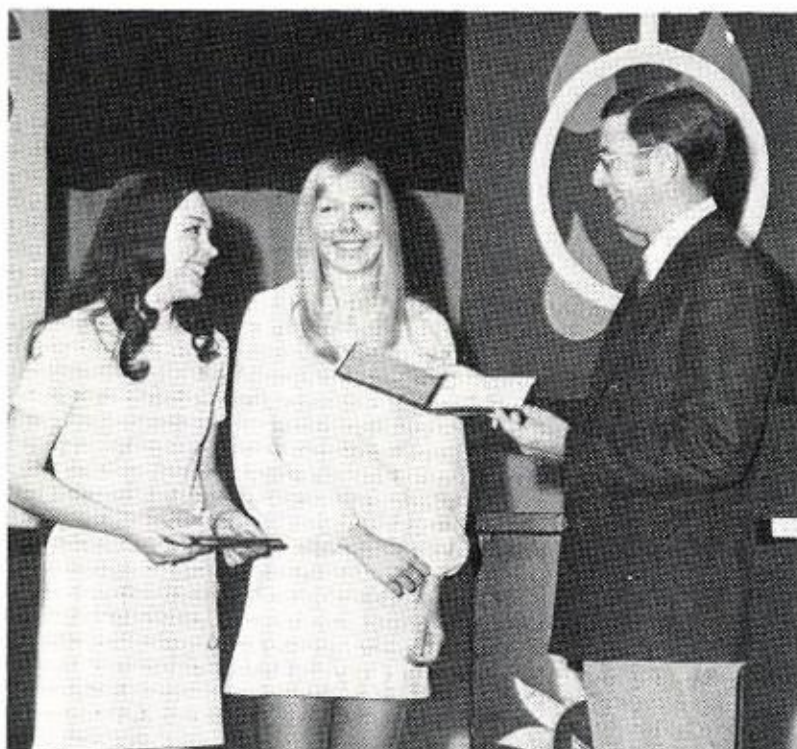

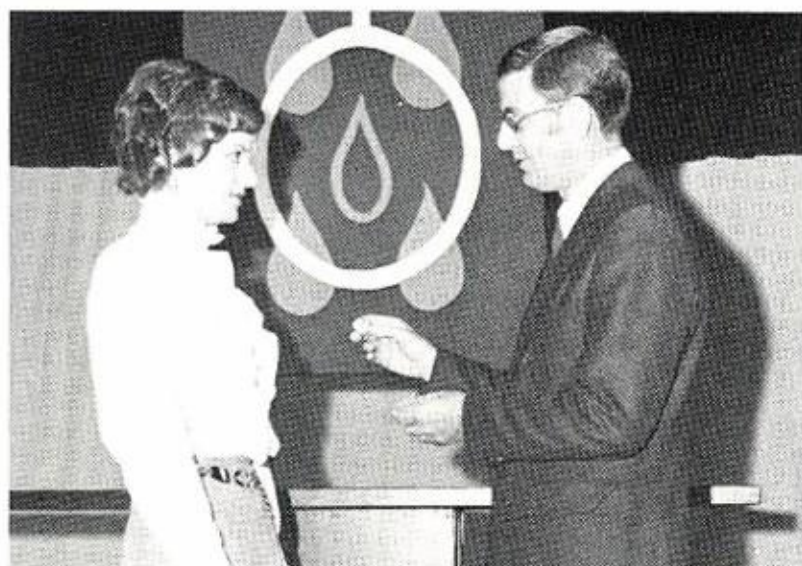

Any seniors earning major letters in any varsity sport received their major athletic award plaques.

Mr. Conrad Aumann from River Forest was our guest speaker. The result was an evening of fun for parents, students, and friends.

AWARDS

The Awards Chapel Service, held on June 1, gave special recognition to students for their achievements in scholastic and service areas.

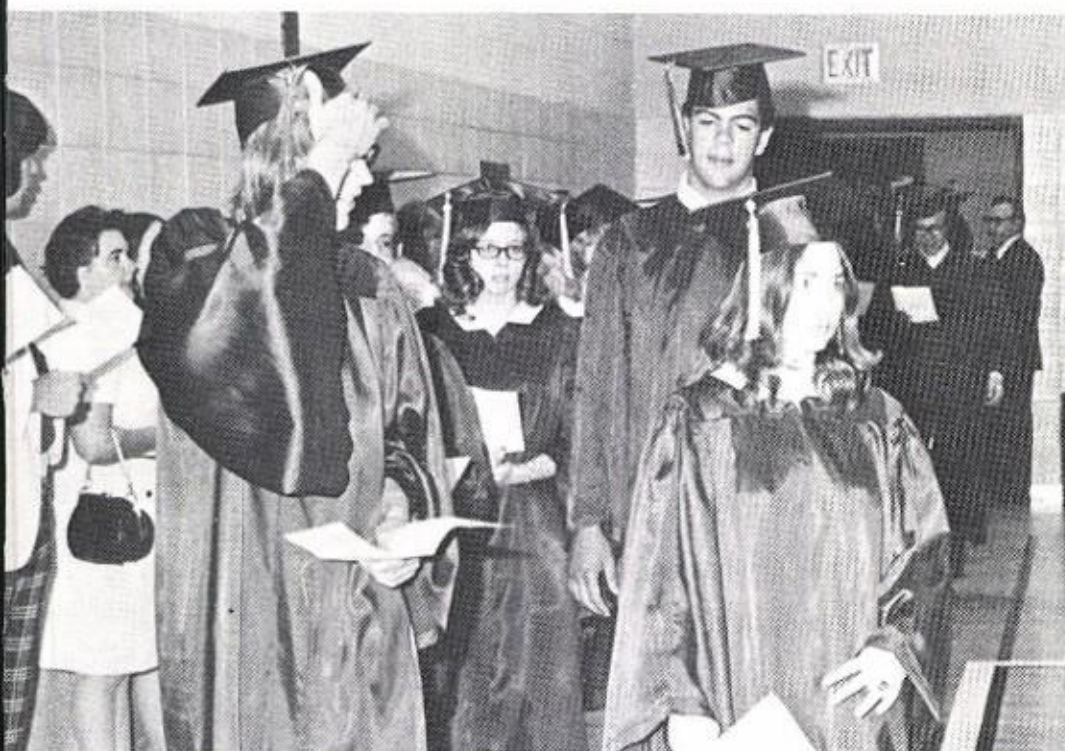

One senior and 15 juniors were inducted into the National Honor Society. Eleven seniors remained from last year.

Shari Storm and Jim Drews were elected to represent Martin Luther at the 1973 Badger Girls' and Boys' States. The Men's Club and Ladies Guild awards for service to the school were presented to Al Weil and Barb Felber. The award presented by the National W Club went to Bill Dahl.

The Greendale Post of the America Legion and the American Legion Women's Auxilliary presented its citizenship awards to Mary Peters and Dave Kowert. Miriam Bruening and Lynn Gourley were named valedictorian and salutatorian of their class.

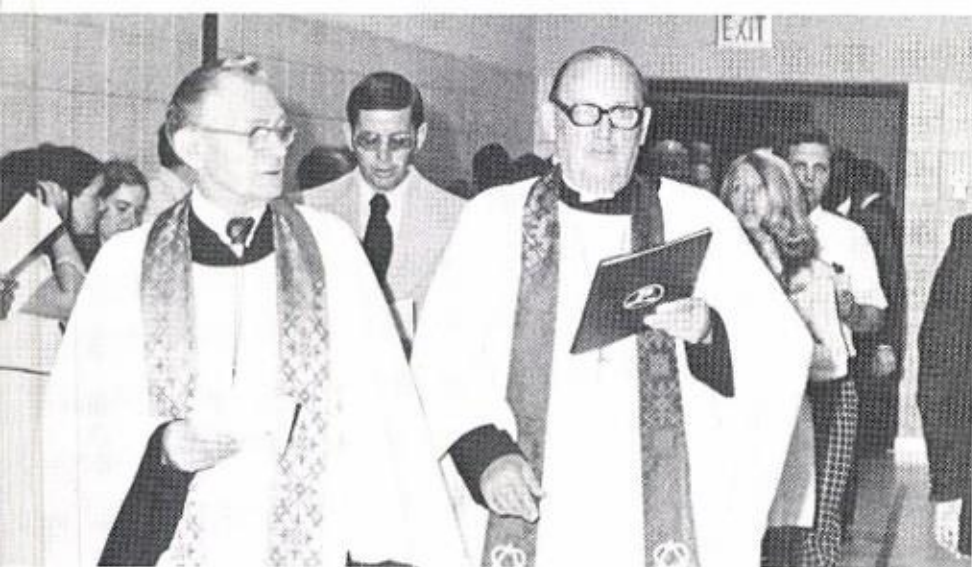

GRADUATION

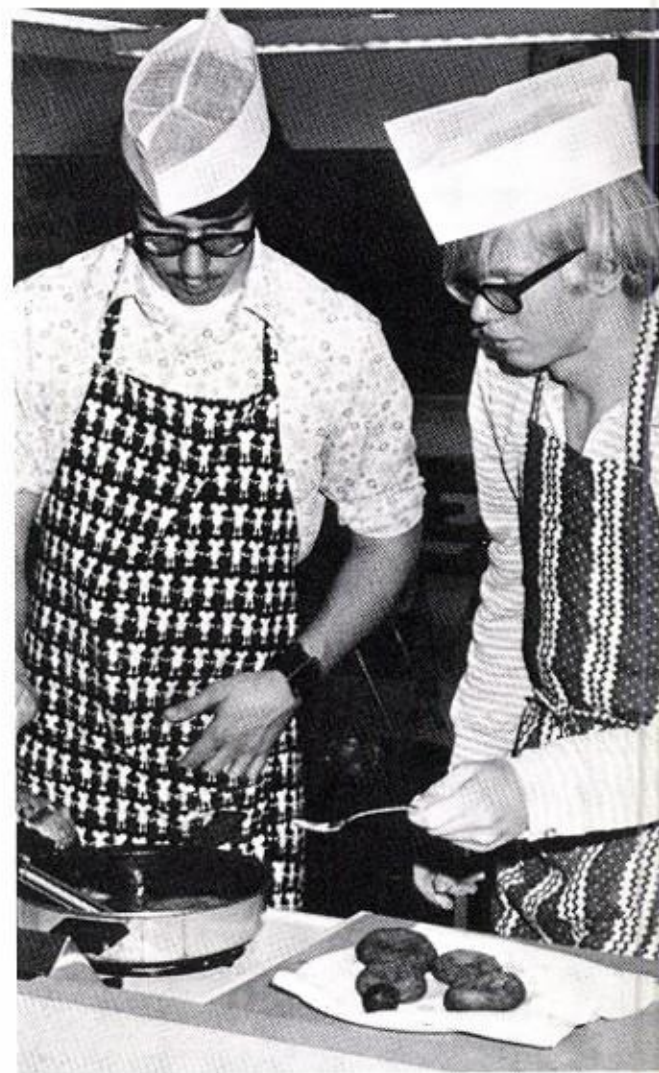

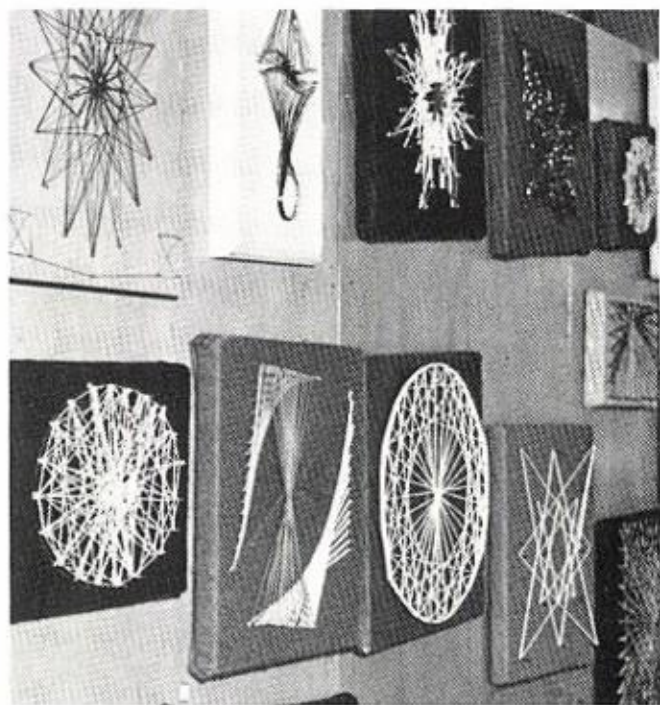

June 10 marked the day of commencement for 77 seniors. It was a day filled with excitement, joy and tears. The seniors chose the daisy as class flower and "Pass It On" as their song.

Rev. Piepolow from Hales Corners Lutheran Church was the guest speaker and Rev. Koehlstedt from Our Fathers was the liturgist. Rev. Pieplow delivered his message based on Psalm 1 which was the text selected by the class.

The Class of '73 and all the people who participated in the Graduation exercises will always remember this day as an important one in the lives of the seniors.

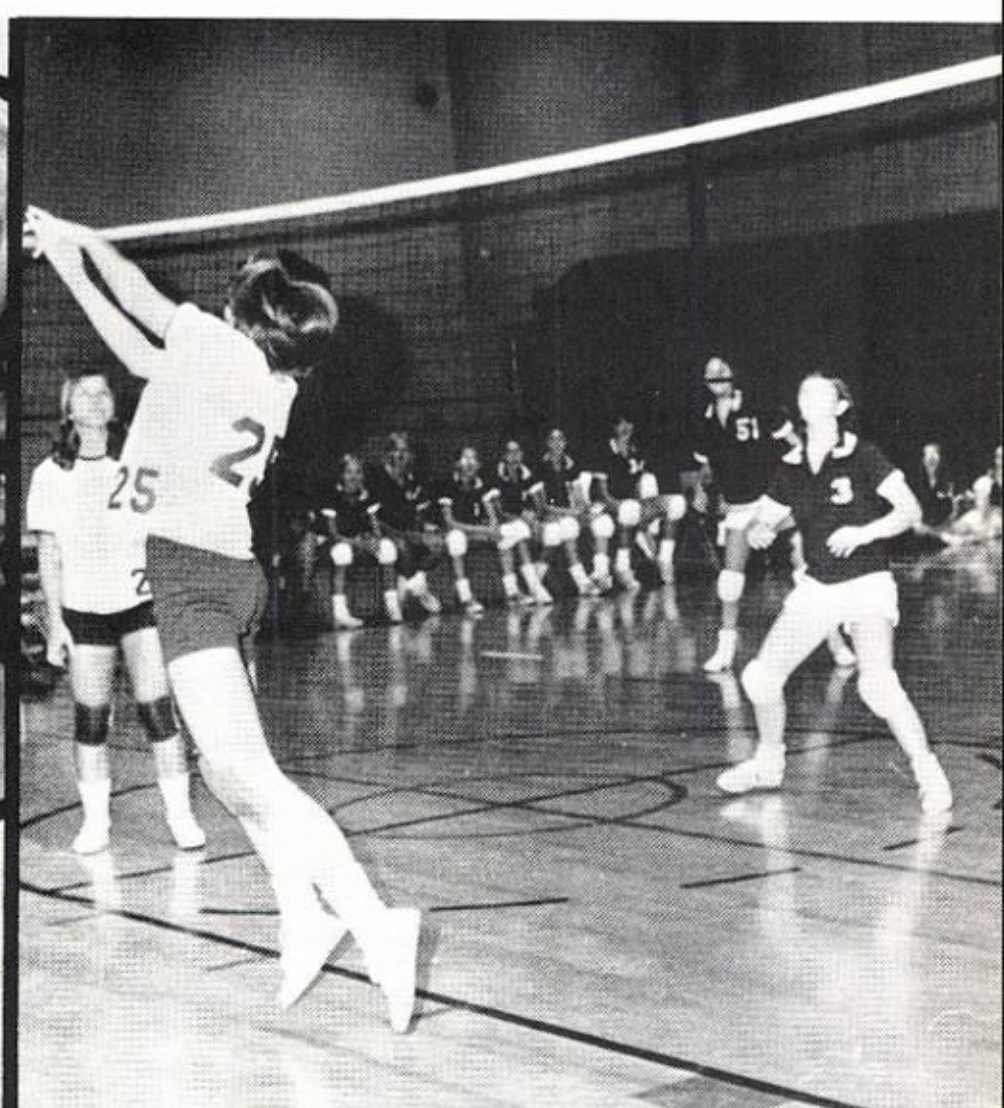

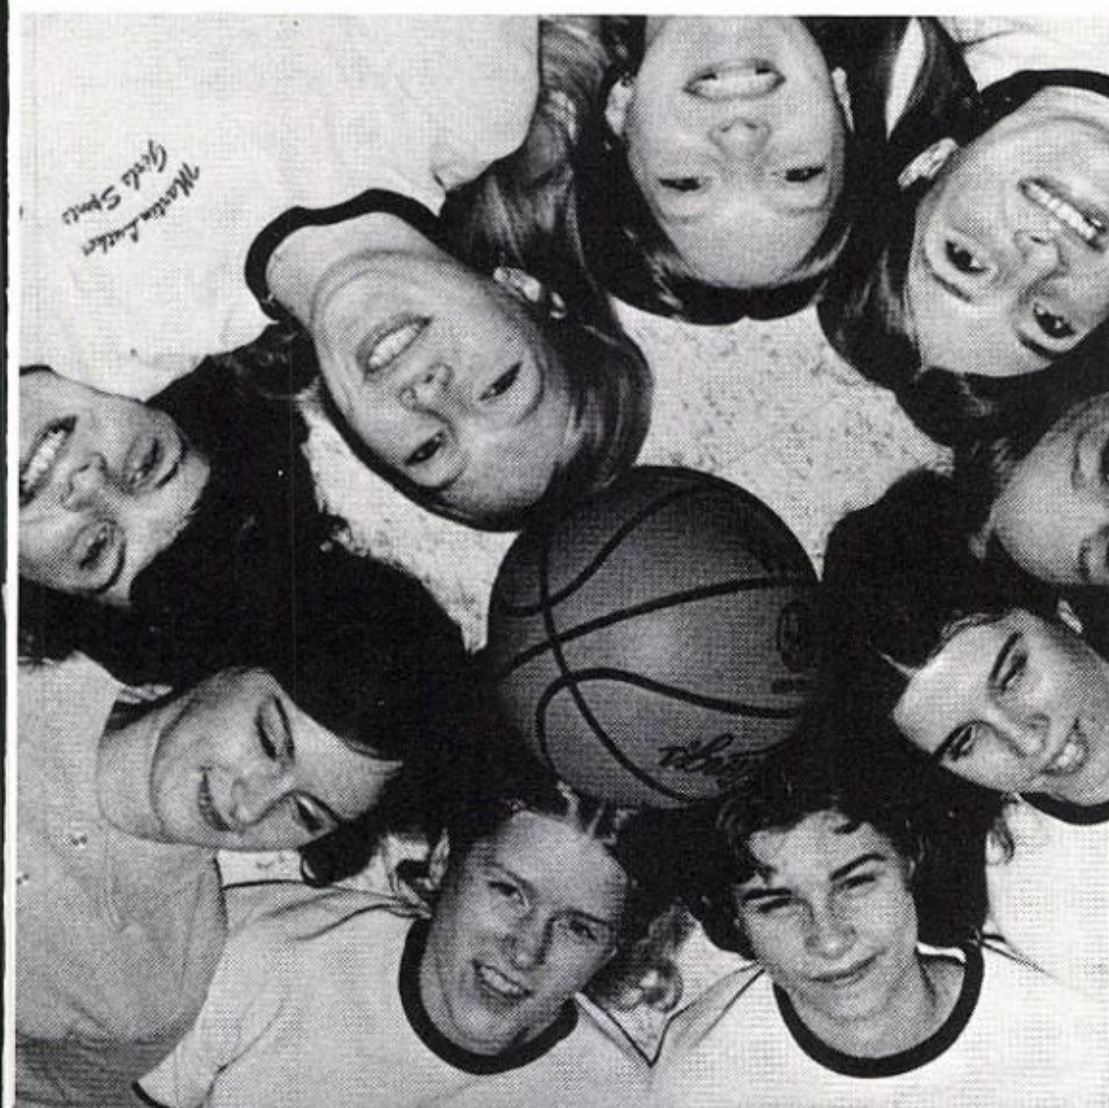

FINE ARTS

Fine Arts

The Fourth Annual Fine Arts Festival was held at Martin Luther on March 11. The music, drama, home economics and art departments were well represented. Parents, students and friends were able to see how the students at ML participate in the fine arts. A highlight of the afternoon was the improvisation presentation by the drama department.

In addition, Martin Luther was rated tenth in small schools in the UPI and was considered for a spot in the WISAA tournament.

High points in the season were University School, homecoming; and Milwaukee Lutheran, where the Spartans beat the Red Knights for the third consecutive year.

Among other honors, Steve Schneider and Bill Dahl were named to the all-conference team; Bill was also named to third team, All-State.

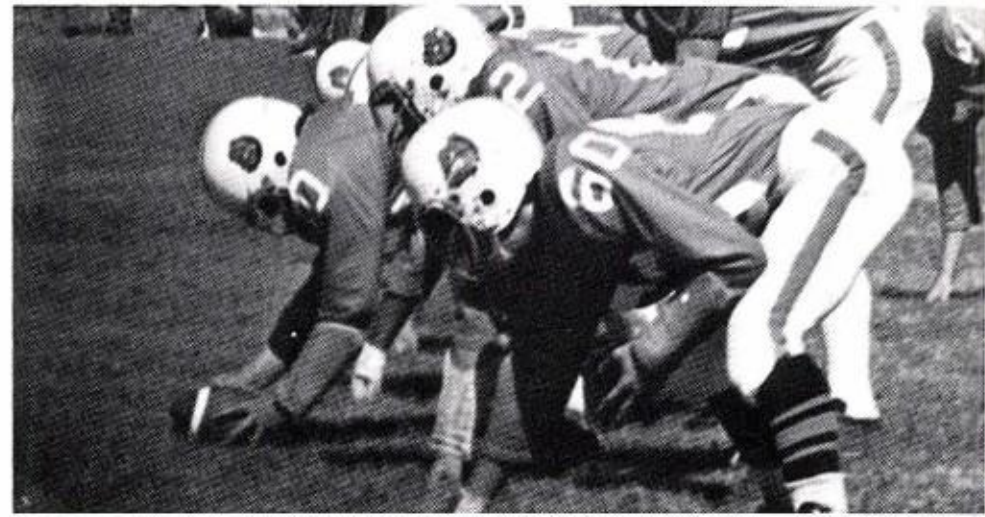

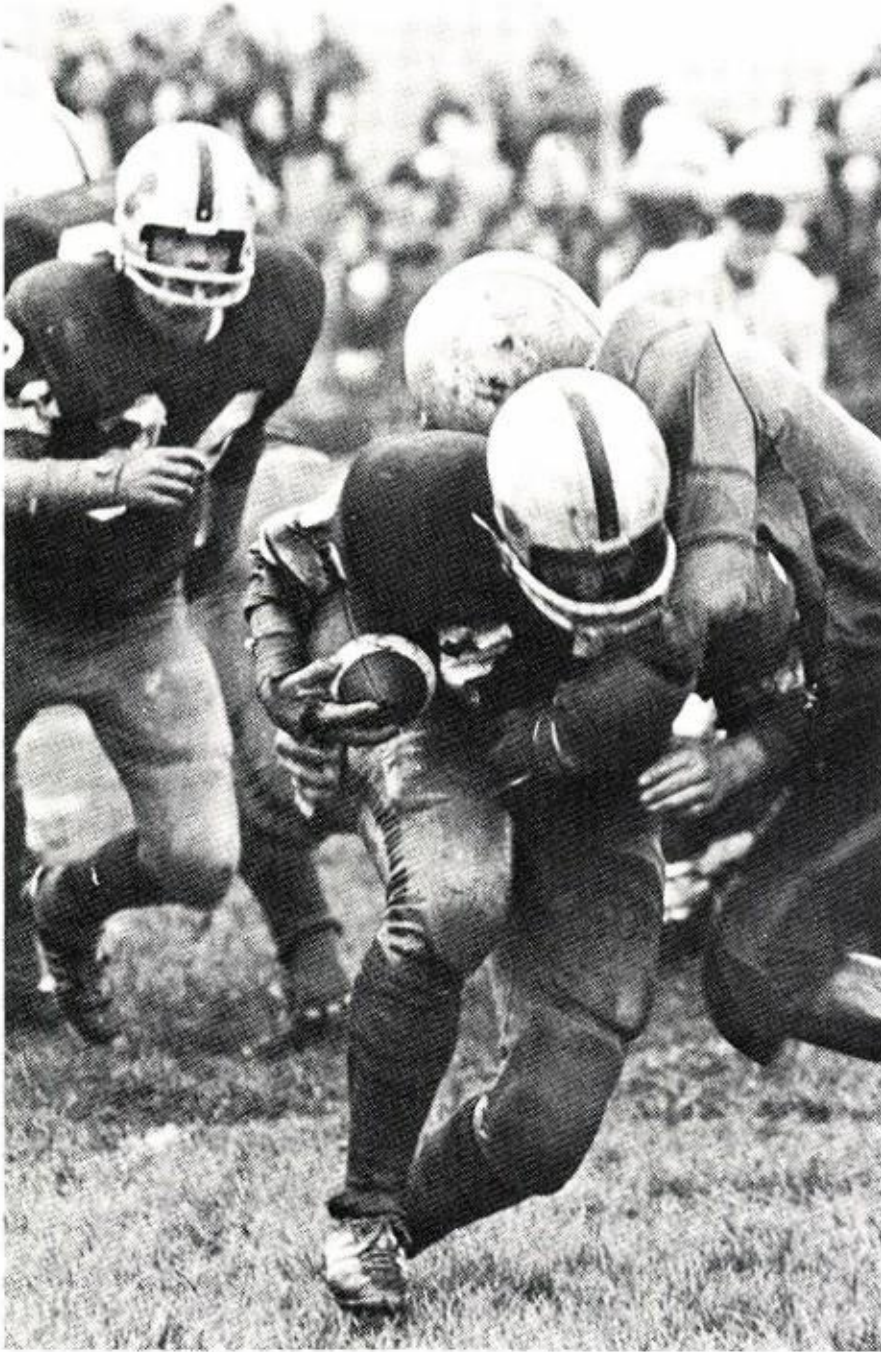

JV FOOTBALL

Another great game was the Wayland game; the Spartans came up with a spectacular 50-0 win.

The Martin Luther cross country team had a fine year. It recorded it's first two wins ever against Univerity "B" and Wayland. The fastest time recorded in a meet this year was by Steve Sellito, 17:51. It was an exciting season and the harriers did an excellent job.

VARSITY BASKETBALL

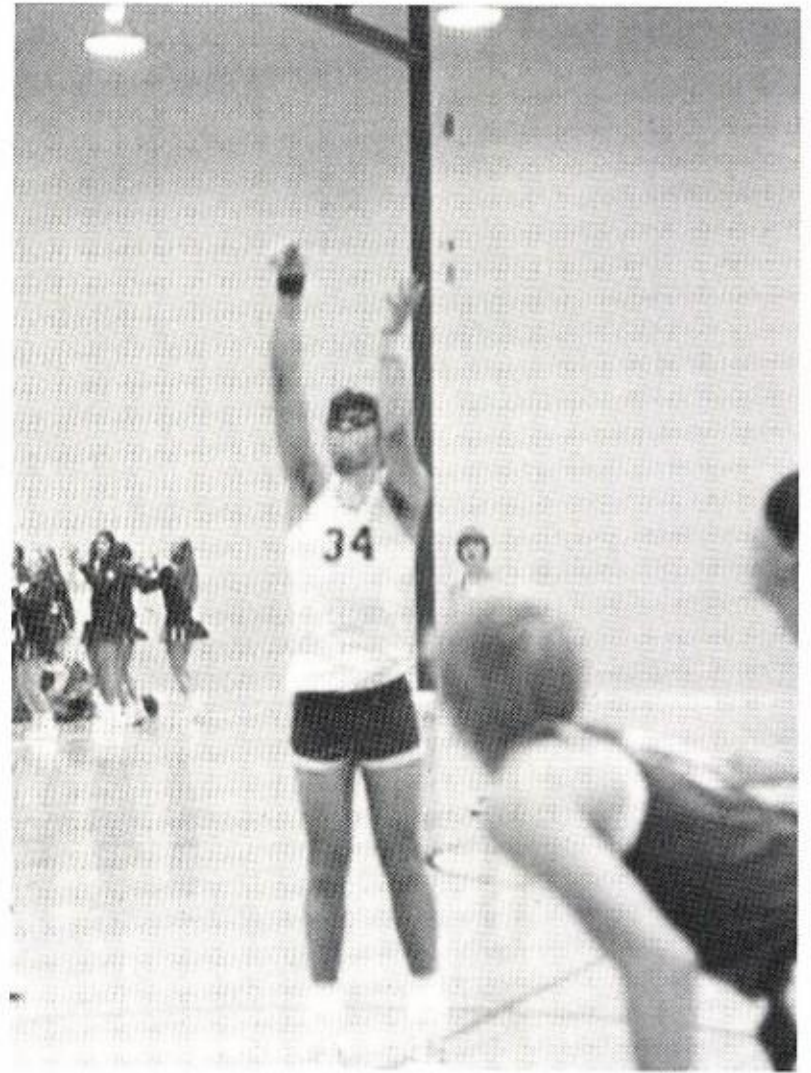

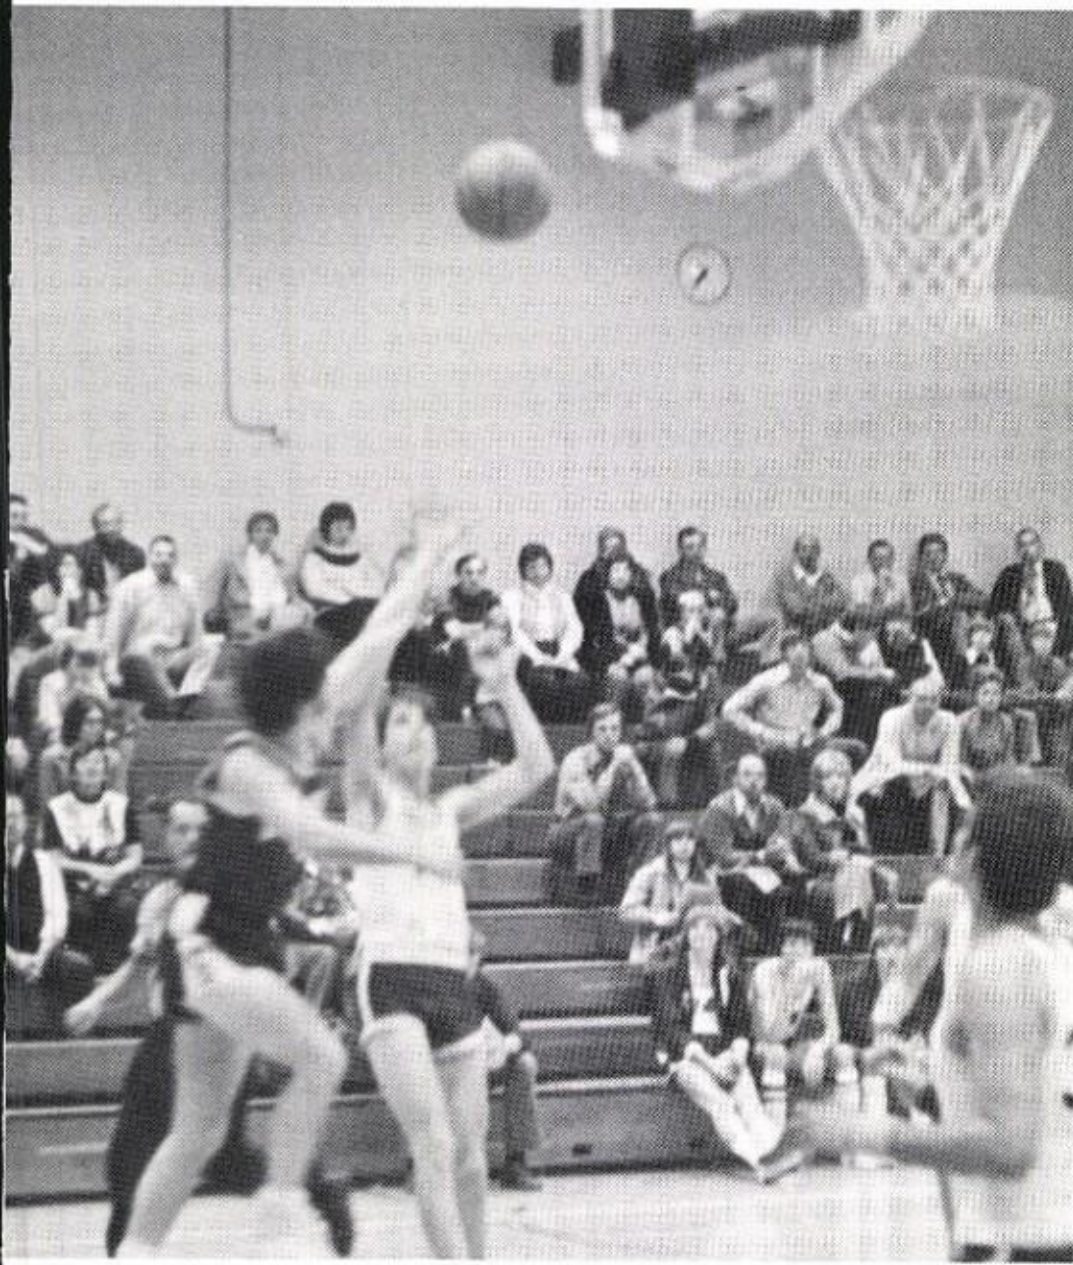

The Varsity Basketball team had a tough year with a 8-13 record. Although the Spartans had a frustrating season, they showed spark and pep in every game. The Milway game shows this excellently. Even though the Spartans lost, they gave the Red Knights trouble. Also the DeSales game in the Regionals. ML unhappily ended their season by losing in overtime. But DeSales was surprised by our steady ability.

Coach Mangels and his team are to be commended for their excellent play and fight. Each member of the team should be proud that they were Spartans. The team consists of these members:

FRONT ROW: Coach Mangels, Bill Dahl, Stephen Schneider, Marv Wild, Steve Schneider, Dave Kowert, Jim Drews. BACK ROW: John Drobka, Bruce Yale, Steve Sellito, Dave Meier, Mark Steinbrenner, Mike Lakis, Jack Wagner, Dan Zahn; mgr.

JV BASKETBALL

Martin Luther's JV Basketball team had an excellent year, capturing first place in their conference. This was Coach Faszholz's first year, and it turned out to be his best so far. The Spartans had many exciting games, such as the two Milway games, where they won by a close margin.

ML looks forward to seeing the JV and the Freshman team in the coming years and hopes that they will be as good as this year's teams. The members are as follows:

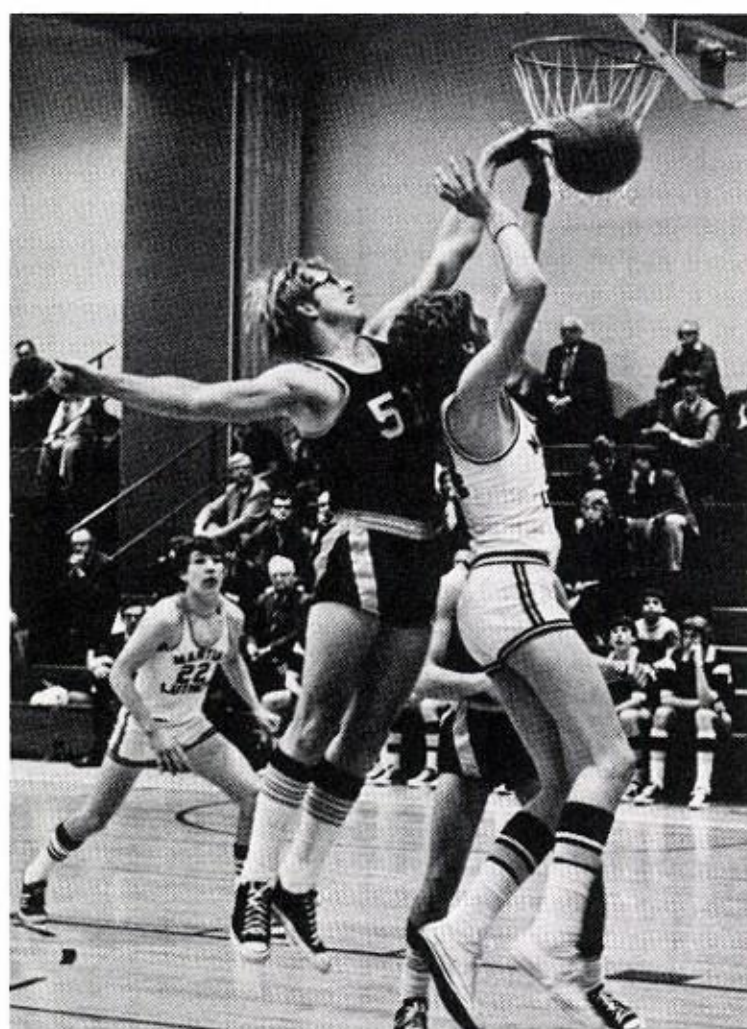

FRONT ROW: The Freshman Team, Kevin Nauertz, Mark Kennedy, Jeff Schoeneck, Niel Hammes, Bob DeMint, Ken York, Jeff Chladek, Greg Peterson, Tim Franz, mgr. **BACK ROW:** Mark Brunette, Dave Lakis, Dan Kowert, Dale VanDam, Rick Nelson, Coach Faszholz, missing-Kevin Franz.

"Success in Basketball comes from strong individual talent, hard work, sacrifice, and an extreme amount of devoted teamwork."

Coach Mangels

"...a game of discipline and sacrifice. It's a difficult game, because it's under such controlled circumstances. It takes a person of great patience, discipline, and physical prowess to play that game."

Bill Dahl '73

"I think we had a successful season, thanks to Coach Faszholz who helped us work together and give 100%, helping us take first place."

Dan Kowert '75

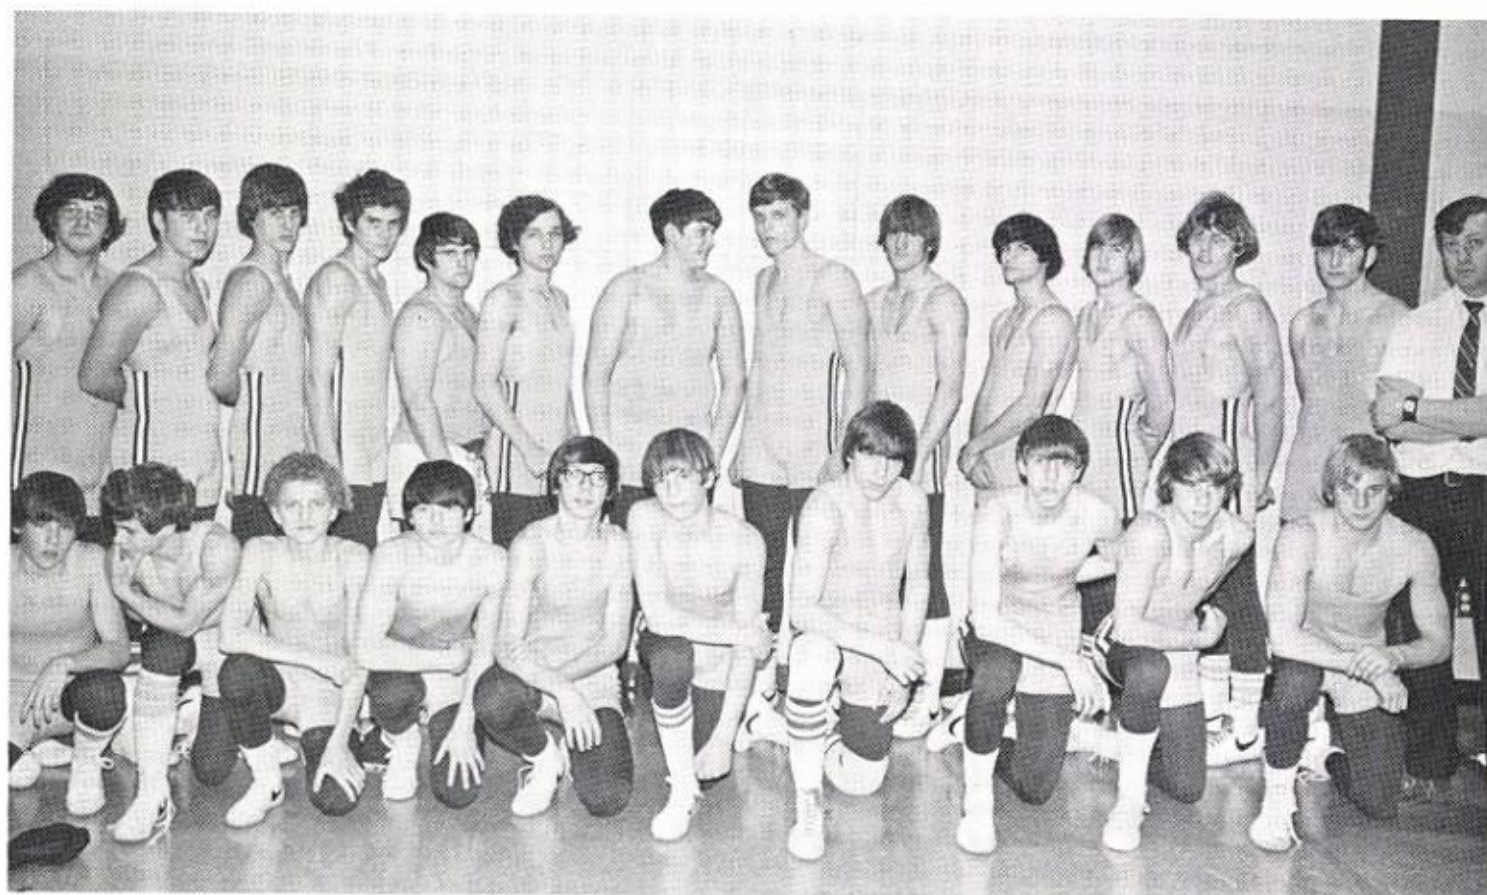

"I think that we did real good, especially since we didn't have Scuber. I thought that the subs did good all through the year and everyone stuck together."

Mark Brunette '75

"Overall, the season had its frustrations and its highlights. It was a season of building, of gaining experience, and most of all, a season of gaining confidence."

Coach Mangels

WRESTLING

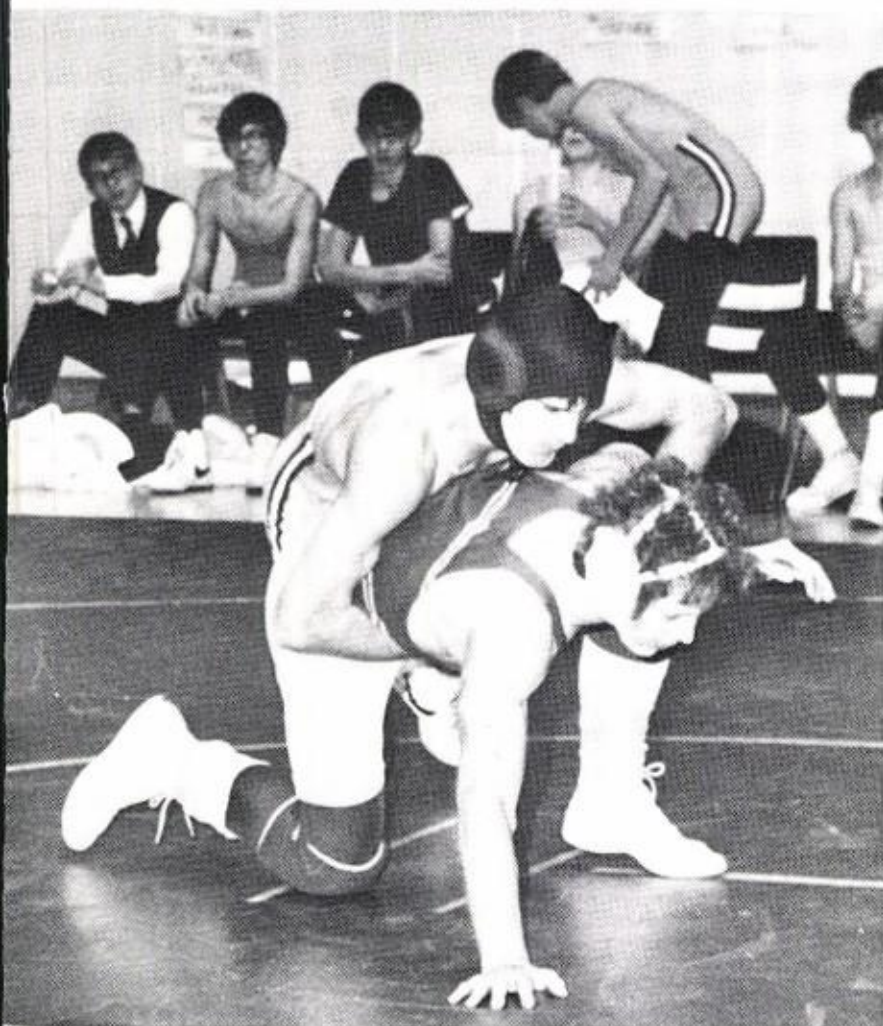

This year's Wrestling team had an excellent year. The Spartans captured fourth in the conference tournament with 35 points, and sent four men to state.

Coach Richter's Spartans proved that they were one of the best teams Martin Luther ever had and further established themselves as one of the best teams in conference. This year's record was 8-5. The team that compiled this year's record was:

FIRST ROW: Brad Tank, Jack Yale, Jim Hafner, Bruce Rebholz, Chip Evans, Tom Meka, Jay Sierszyn, Scott Schedler, Dave Jung, Paul Schnelz. SECOND ROW: Ed Reger, Lowell Holtz, Steve Nibbe, Dan Czaplewski, Dan Schneider, Jeff Reske, Tom Wartick, Mark Willi, Tom Boehm, Dan Boehm, John Hafner, Rick Seiler, Coach Richter.

WRESTLING IS . . .

... a sport for the individual and the team, a sport of courage, work, and knowledge, and a sport of fun and sportsmanship.

"...the sport which enables a boy to depend solely on his own skill and abilities. At the same time, team spirit and effort is evident. There are no crutches in wrestling. A wrestler learns self-control and, as our main goal, learns how to display his Christian spirit under stress and great tension."

Coach Richter

"...an individual sport, more than any other sport in high school and you need a lot of personal confidence and training. But the team is important, too. Our school should be proud of our wrestling team."

Brad Tank "75"

"I think that this is the best season we ever had. The team grew by helping one another and a lot of success was realized through this concern for fellow teammates. I look forward to next year because of the fantastic potential that is at Martin Luther. Last year's third place winners and fourth place winners in regionals will be next year's conference champions and state qualifiers."

GOLF

This year's Spartan Linksmen had another tough year. Although the record showed a frustrating season, the Spartans accomplished a season of fun and recreation of playing the game. The Linksmen's low scorer was Mike Lakis. Martin Luther hopes for a better, building team in coming years. The team consists of these members:

FRONT ROW: Coach Mangels, Bill Kilps, Tom Coogan, Don Krueger. SECOND ROW: Mike Lakis, Jim Drews, Steve Nibbe, Jeff Schoeneck.

GOLF IS

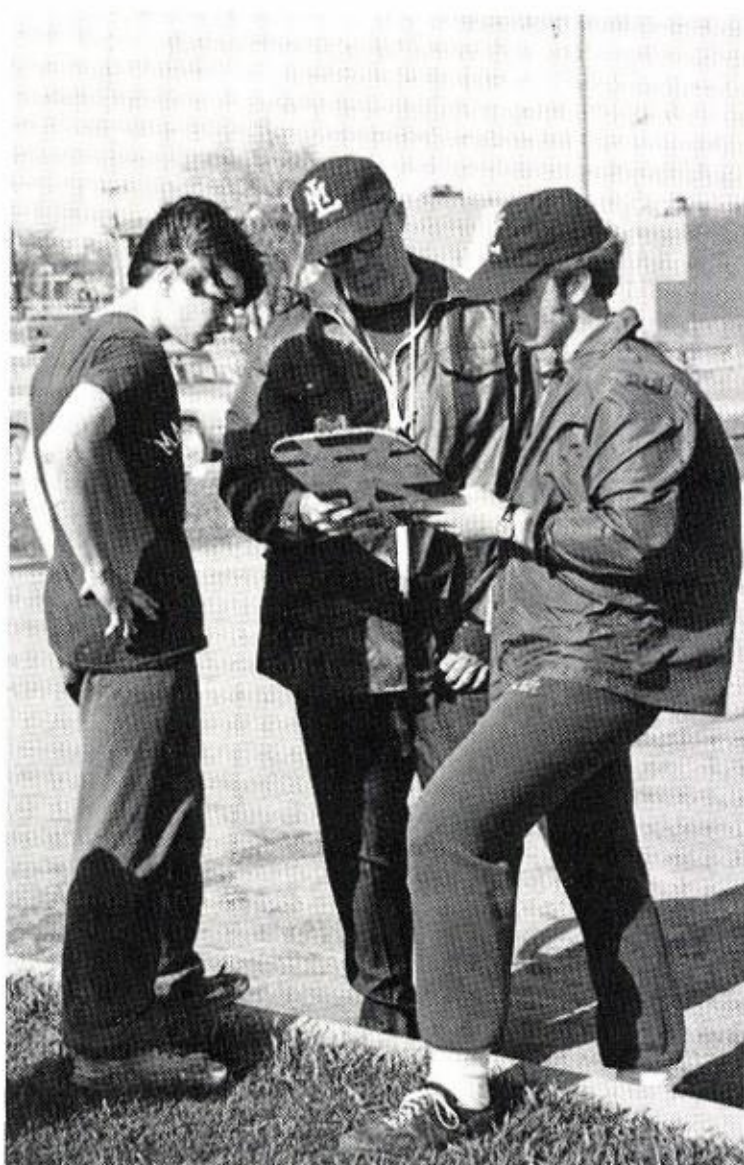

"... one of America's most popular individual sports; its greatest asset being its carryout value to the participants' future physical recreation." Coach Mangels

"... a learning experience for all who participated. It's a sport that allows the individual to excel his own ability." Don Krueger '75

"It was not a very successful season, but we could just mark it down for experience and for the betterment of the Society of Golfers at Martin Luther." Steve Nibbe '73

"The 1973 golf season was composed of many frustrations. First, the usual lousy Wisconsin weather was not conducive for having golf practices or golf matches. Second, it was frustrating for the Spartan Linksmen as they continually struggled to improve their game. The younger players had their problems as they were baptized into this year's golf competition. This year's frustration can be climaxed by one of the poorest competitive golf seasons in ML's history. One can only look for a brighter future for the Spartan golfers." Coach Mangels

TRACK

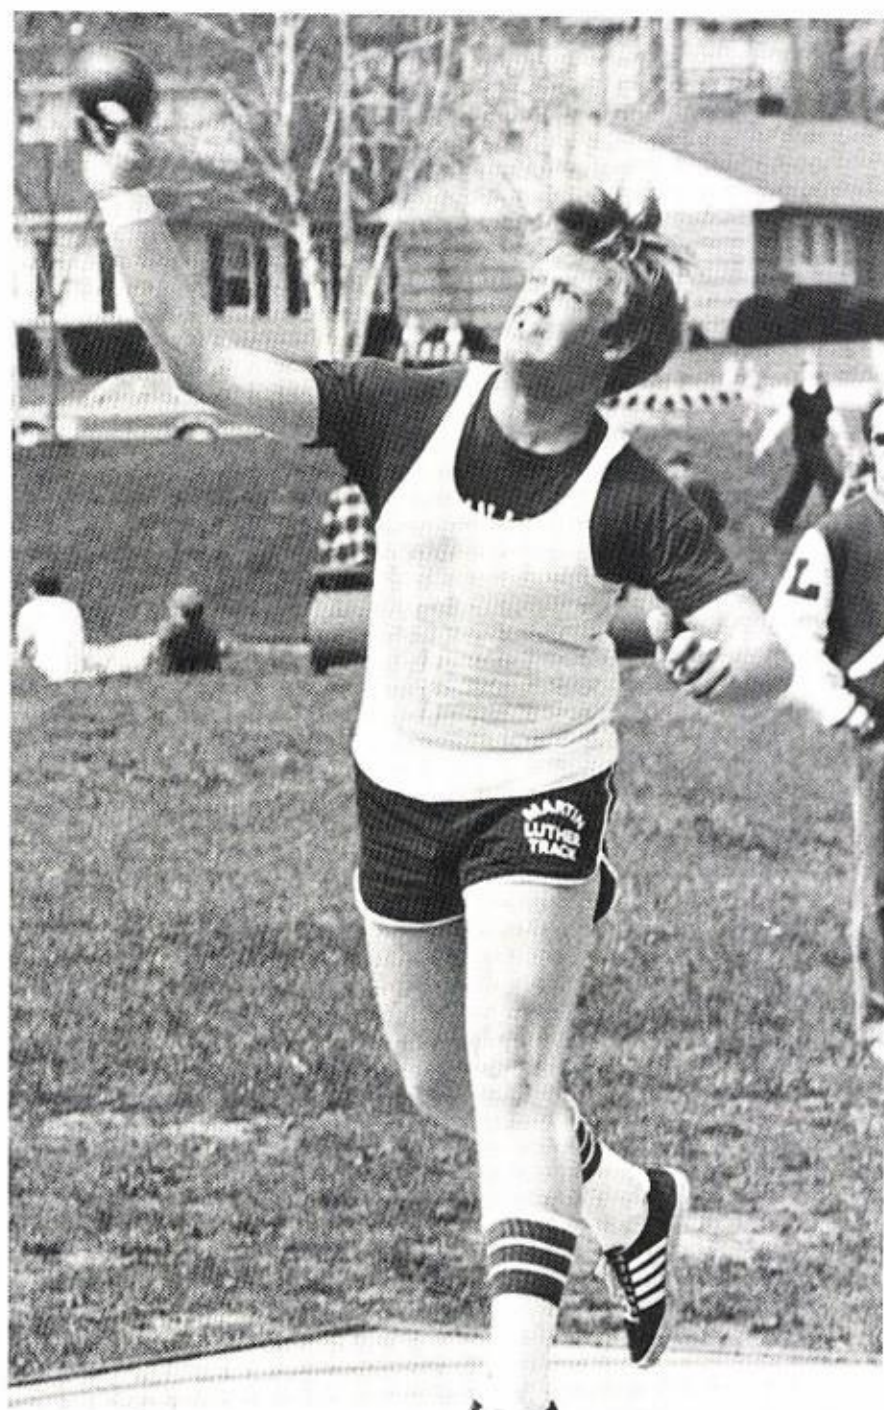

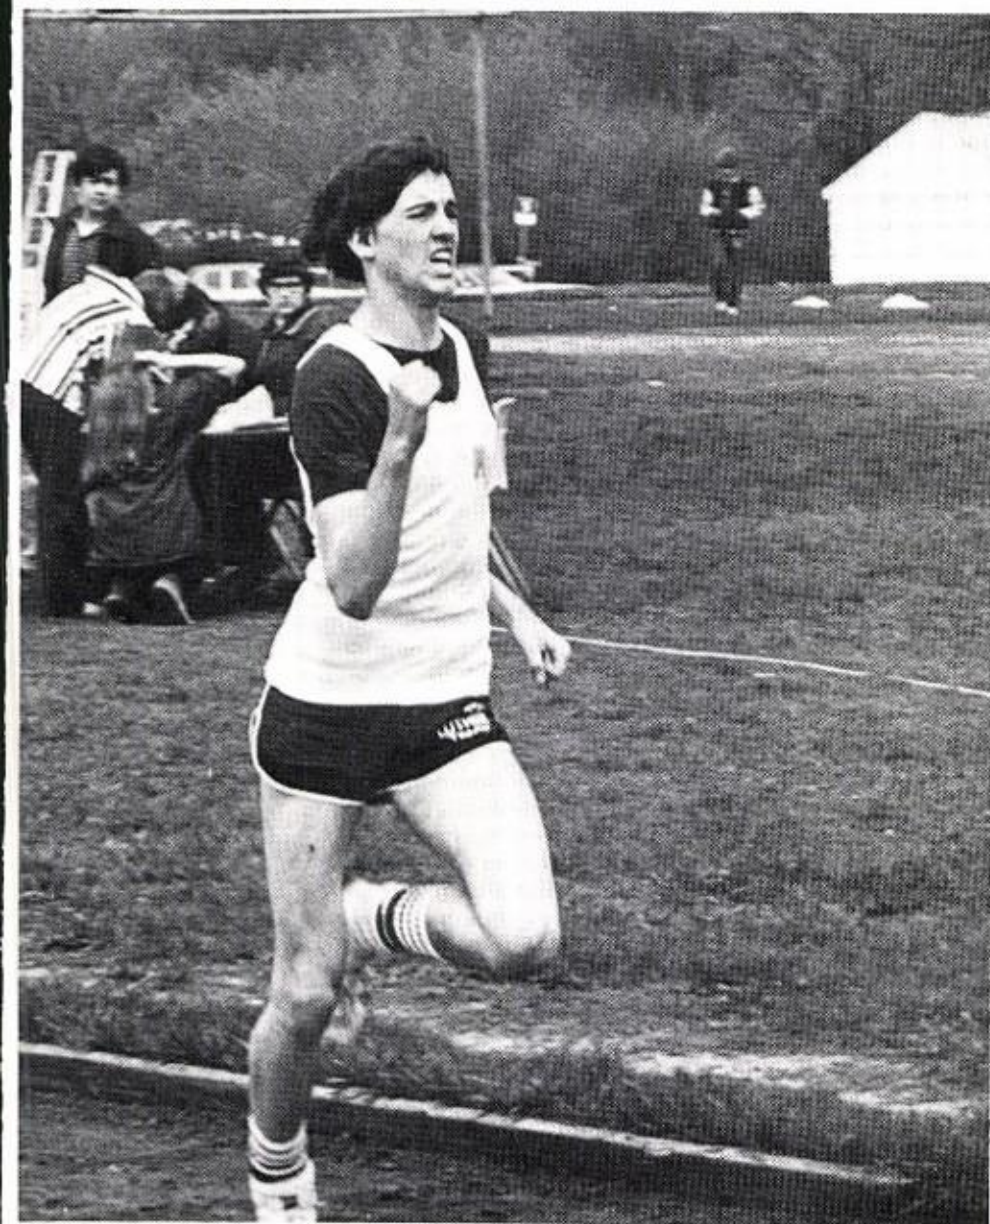

FRONT ROW: Dan Boehm, Dan Borrow, Dave Lakis, Dan Kowert, Gary Stephens, Scott Metzger, Bill Kernen, Phil Orth, Bruce Rebholz. SECOND ROW: Dave Meier, Dave Krenz, Tim Brunette, John Eggert, John Drobka, Tom Boehm, Mark Steinbrenner, John Povlick, Glenn Grage, Joel Brondos. Missing: Dave Bangert, Kevin Franz, Greg Peterson.

As the ML football team did great this year, so did the track team. Being coached by Mr. Doepke and Mr. Widenhofer, the Spartans did not lose any dual meet. A highlight was the Milwaukee Lutheran Meet, where the Spartans beat the Red Knights for the first time by the score of 65-62. The high jump record was broken by Gary Stephens at 5'8". The Spartans took second place in the Conference meet with 34.5 points. Dave Krenz took first in two events, the 100 and 220 yard dashes.

There are high hopes for next year's season, because there are only four seniors leaving this season. ML will remember this year's team as it's best so far.

TRACK IS . . .

"... a sport which uniquely combines individual and team effort! It's a team sport and at the same time it isn't a team sport." Coach Doepke

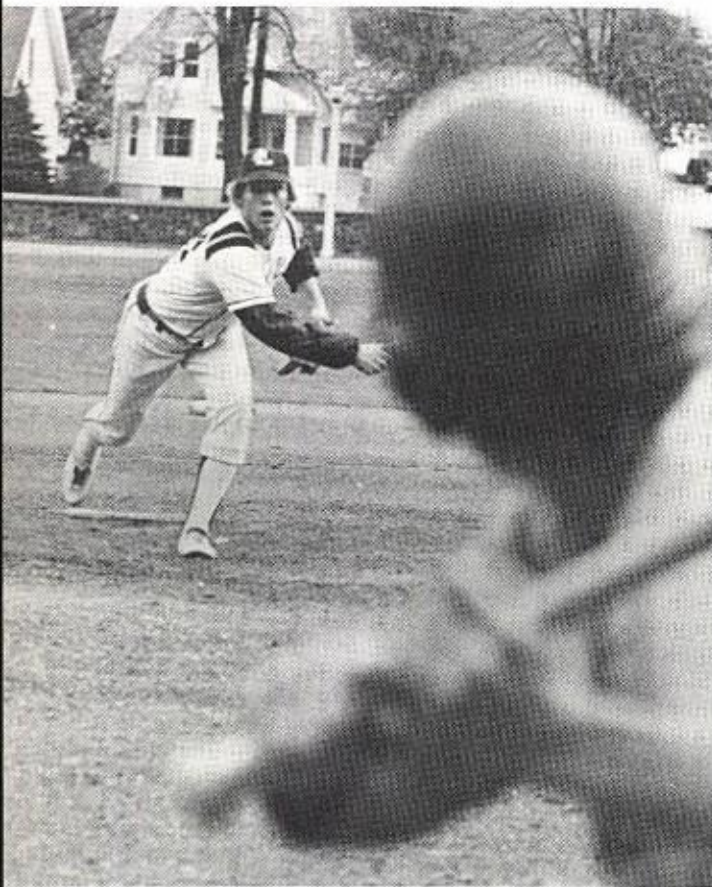

"... a sport that takes top conditioning, both physical and mental. If you win, you feel a great sense of personal accomplishment, but if you lose, there are no excuses, or anyone else to blame." Dan Kowert '75

"... all about going out for track, developing your own personal, mental, and physical skill, and put it to good use." Gary Stephens '75

"The season was very successful as many school records were broken and the future looks very bright as the team is losing only four seniors." Dave Bangert '73

"The best season we've ever had, and better things to come." Coach Doepke

VARSITY BASEBALL

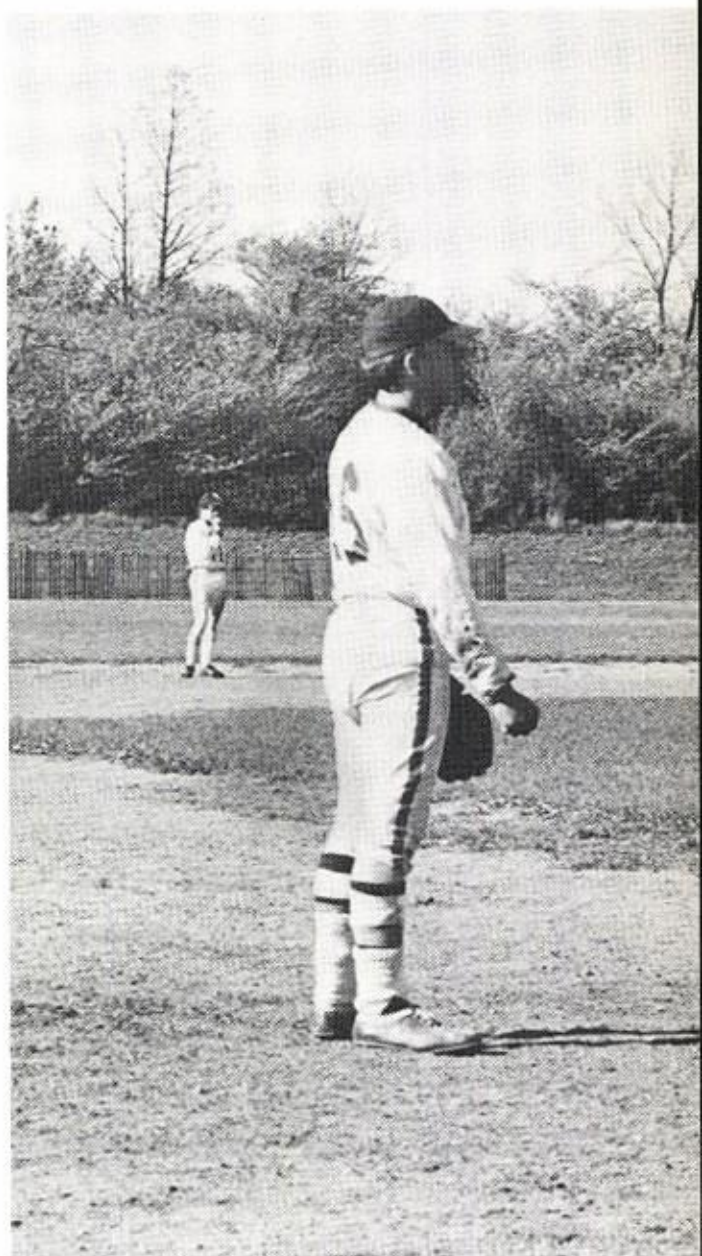

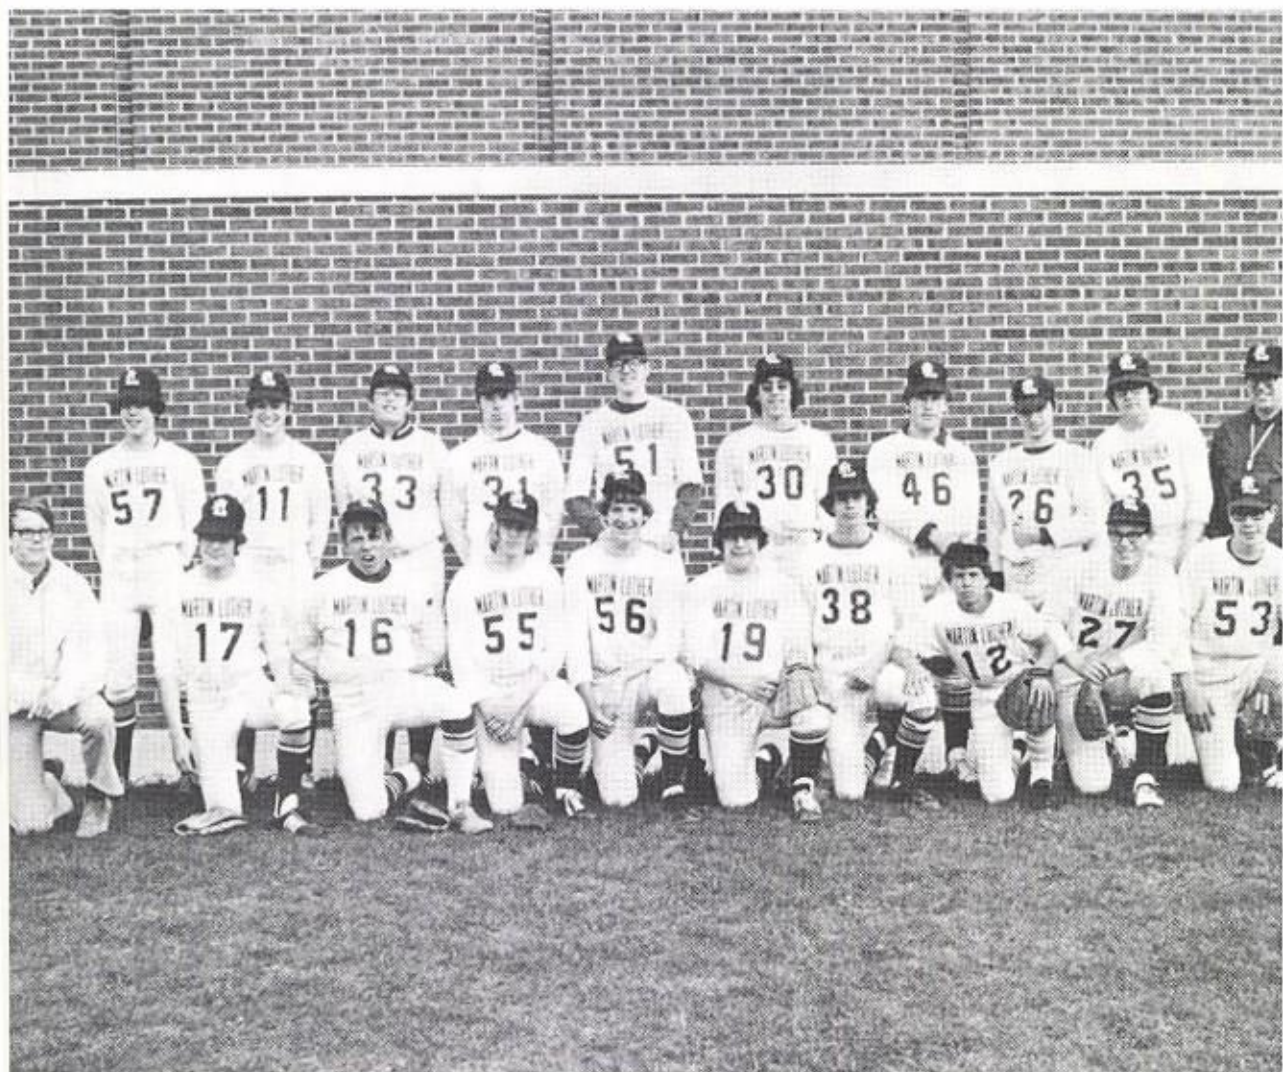

Through a rough and trying season, the Varsity Baseball team improved and learned much under Mr. Faszholz in his first year as Varsity coach. The team's victories over University and Milwaukee Lutheran were highlights of the season.

FIRST ROW: Dale VanDam, Jed Sonstroem, Bruce Yale, Bill Barwa, Jay Sierszyn, Dan Schneider, Jack Wagner, Kim Frey, Coach Faszholz. SECOND ROW: Dan Zahn, manager, Al Weil, Marshall Mahler, Steve Schneider, Guy Kennedy, Ted Green, Mark Brunette, Steve Schneider, Bill Dahl, Marv Wild.

The 1973 Spartans of baseball are having a fine season. As of yet, the season is not over, but the team has played excellently against such teams as Milway and University School. The boys have worked extremely well and hard with their new coach, Coach Faszholz. ML congratulates our great team and wishes them success in coming years.

JV BASEBALL

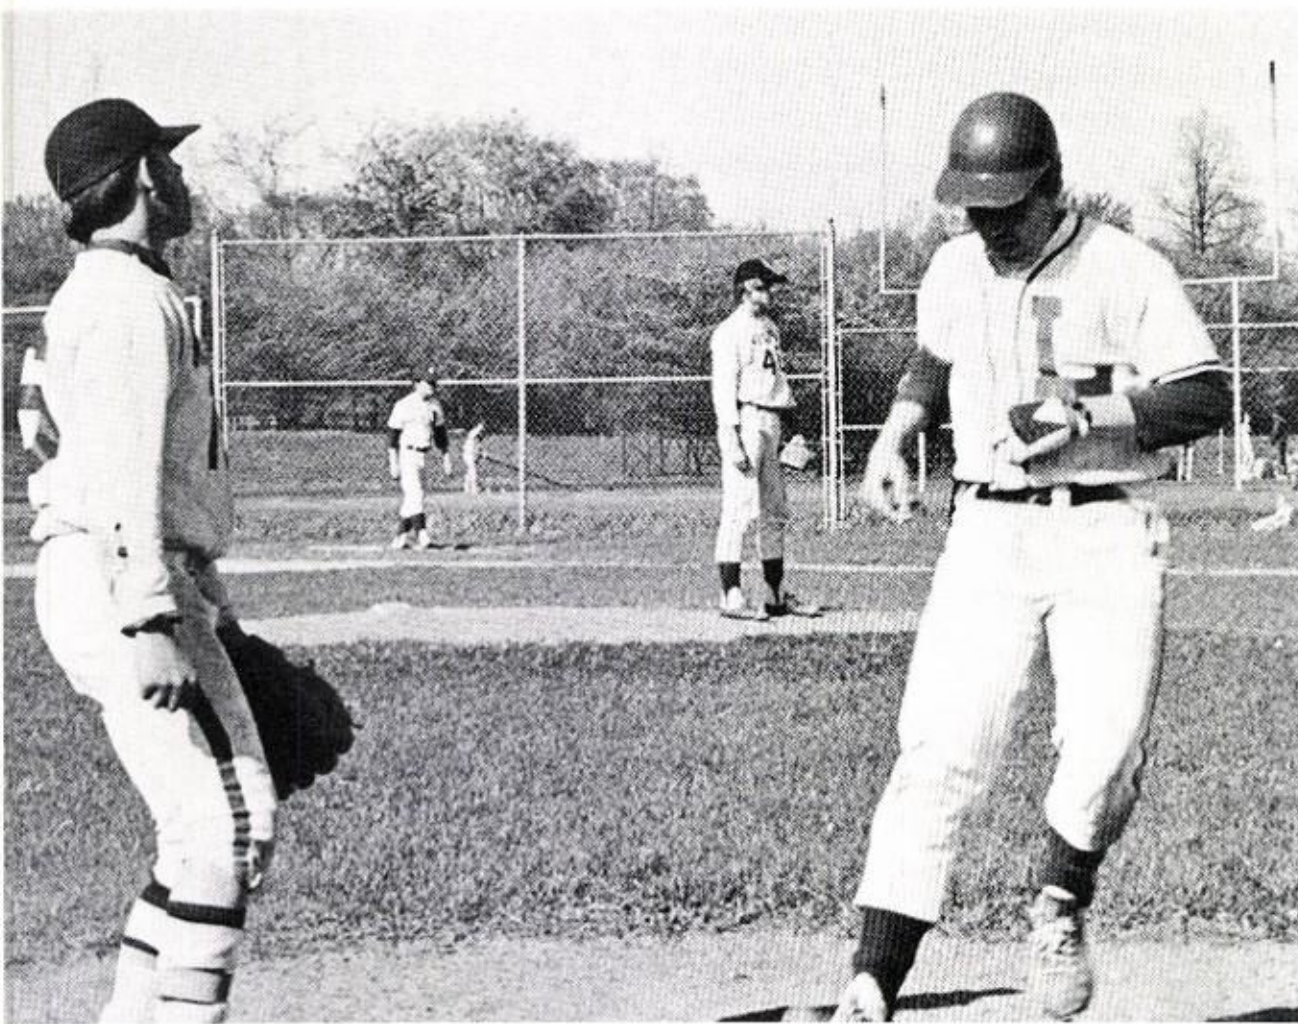

FIRST ROW: Kevin Nauertz, Tom Meka, Mark Kennedy, Eddy Esp-lund, Mike Klein, Dave Brondos, Jim Puls, Jack Yale, Bob DeMint, Mark Fredrich. SECOND ROW: Scott Kaphingst, Ken York, Tim Franz, Neil Hansen, Craig Nitsche, Frank Hanke, Lowell Holtz, Jeff Reske, Cary Evers, Coach Schneider.

This was Coach Schneider's first year as baseball coach. The JV baseball team had quite a successful year. One of the highlights of the season was the victory of the ML freshmen over Wisco's frosh team. With these years of experience behind them, Martin Luther can look forward to much success in future years.

BASEBALL IS . . .

"...a highly complexed game that needs the coordination of nine players working as a unit." Coach Faszholz

"...a game involving physical ability complimented with mental awareness." Bill Barwa '75

"This year in baseball, we perhaps did not win as many games as we could or should have. However, the season was a success in that we learned much needed experience for next year." Jed Sonstroem '74

"The JV Baseball team was 7-4 on the season and 5-2 in conference play. I feel that the players always hustled and gave 100%. As the team gained experience, we improved with every game. With the good freshmen talent returning, I look to a good JV Baseball team next year." Jim Puls '75

"The fact is that we never played up to our potential." Coach Faszholz

GIRLS BASKETBALL

VARSITY

This year's Varsity Spartanettes of Basketball came up with another great season, taking first place in the Municipal League and an overall record of 11-4. Highlights of the season were the Milway game, the girls squeaked past, winning by 1 point, and the game against the Spiffies, the Spartanettes clobbered them by a score of 48-6. ML is proud of the Spartanettes and thanks them for such good school spirit. The Varsity team is as follows: FIRST ROW: Cindy Joiner, Mary Behrendt, Miriam Bruening, Pat Young. SECOND ROW: Lois Mueller, Sue Hilgen-dorf, Connie Georgson. THIRD ROW: Liz Allwardt, Miss Moore.

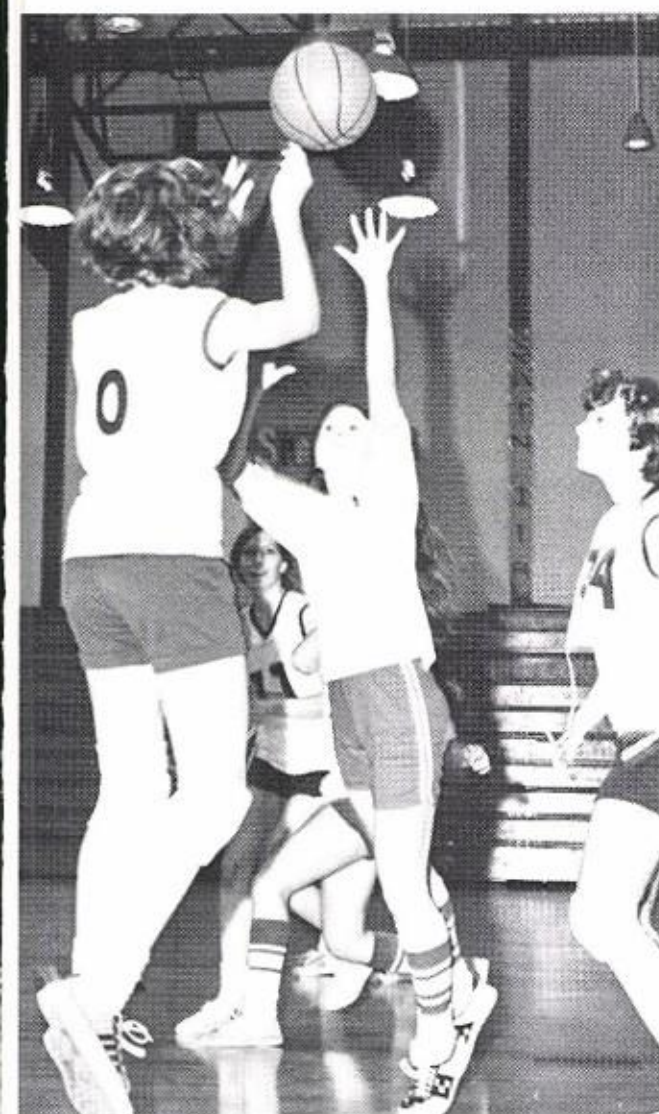

JV

The Junior Varsity Girls Basketball team followed in the footsteps of the Varsity, this year and recorded an excellent record of 11-3. The JV took second place in the Municipal League, only to the Varsity. One highlight of the season was the Milwaukee Lutheran game, the JV beat them again this year.

The JV had an outstanding year with Mr. Heien coaching. Picked as M.V.P.'s were Kathy Bruening and Melanie Walther, and Kim Hovie was picked as Most Improved. Each girl showed continuing good spirit and each one had alot fun. The Junior Varsity is as follows: FRONT ROW: Debbie Berkahn, Barb Martens, Lisa Tro-talli, Karen Geischen, Pam Berk-hahn, Kim Schneider, Sue Del-aney. SECOND ROW: Mary Lou Christianson, Kathy Bruening, Kim Hovie, Paula Denning, Ann Grune-wald, Melanie Walther, Sue Boehm, Mr. Heien.

GIRLS BASKETBALL IS . . .

"...is a sport where girls get an opportunity to meet people both on a competitive and social basis where they begin to see the importance of teamwork, physical conditioning, mental alertness, and co-ordination."

Mr. Heien

"...is a ball. It was an opportunity for me to enjoy myself through many other people."

Pat Young "73"

"...is a fine opportunity for the team and for me to have a good time, but yet to be working for a goal of excellence."

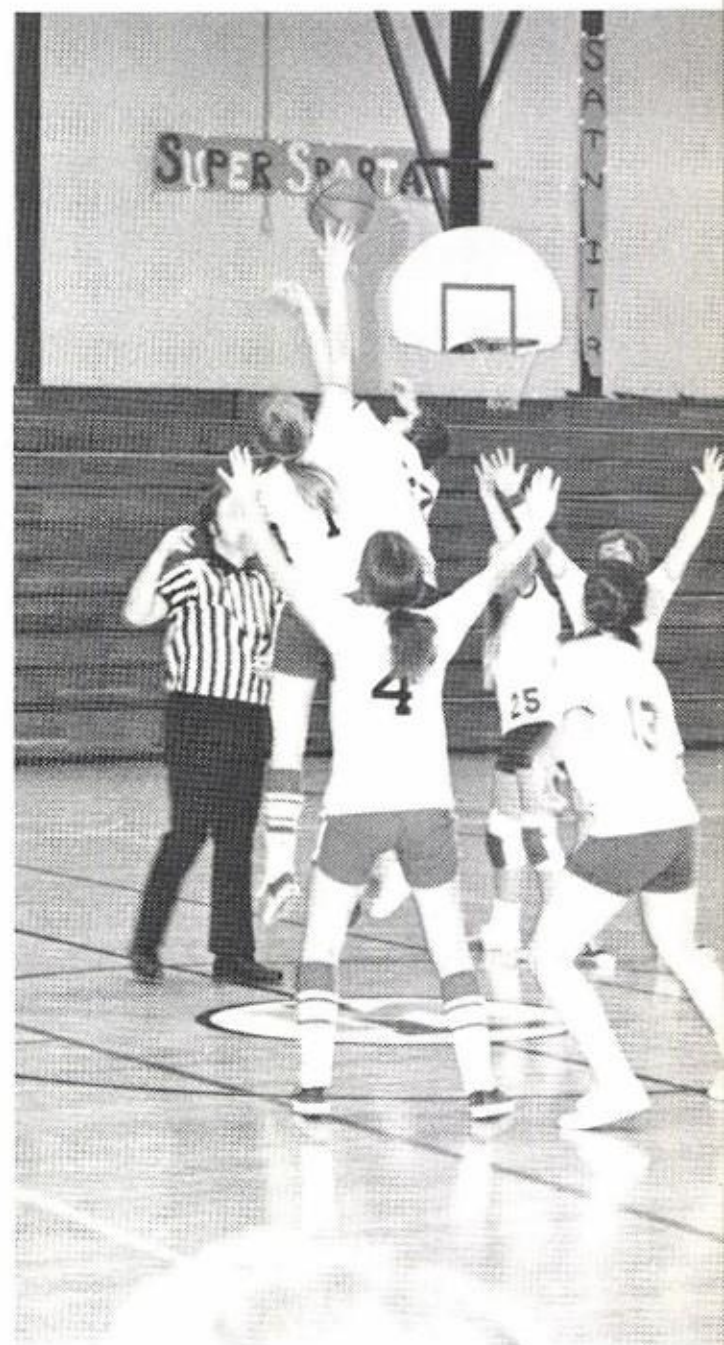

Cindy Joiner "75"

"I enjoyed the season this year. I think we had a good season and a good team to look forward to next year. God was with us always!"

Barb Martens "75"

"I thought that the season was generally successful, as you can see from our overall record of 12-3, and the fact that we finished in second place at South Division, being second only to the Varsity. I thought that we had a good team balance. Probably a greater emphasis on team play, rather than having to depend on one individual. I think the only problem of the season was our lack of height, and they made that up by the effective defense."

This years team is:

GIRLS SOFTBALL IS . . .

" . . . an exciting activity this spring. With many experienced ball players returning plus promising new players our season started off with a great victory over Wisconsin Lutheran, which we hope will continue through the summer." Miss Moore

" . . . a season I'll never forget, especially since I'm a benchwarmer." Diane Berkahn '76

" . . . a lot of sore muscles, especially after our coach gets mad at us. The coming season should prove to be interesting since some of our practices have been flooded out." Kathy Hinz '75

" . . . a different kind of experience and the girls had a lot of fun. The games were a blast!" Kathy Bruening '75

"The season has a lot of prospects. The team is a relatively new group of inexperienced players and is inexperienced in physical skills. The development of these physical skills is our main goal this season." Mr. Heien

GIRLS TRACK

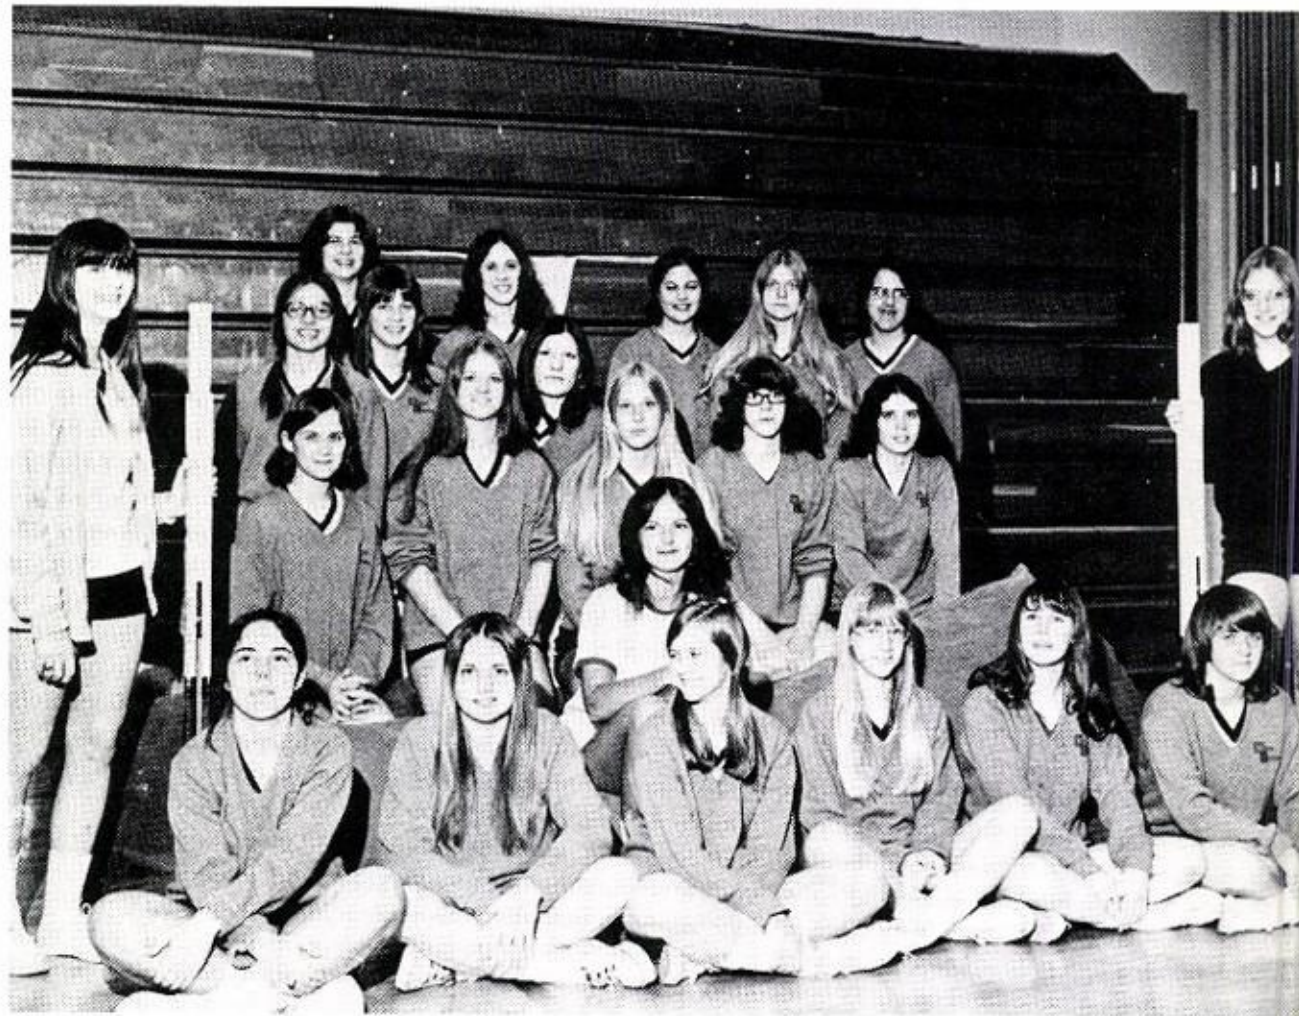

The girls track team has a good chance to better their last years standings. The team includes three students who hold school records, Sue Hilgendorf, Lois Mueller, and Sue Forster.

Several records were broken after the first two track meets. The team hopes to break more records at the state meet.

The state track meet is scheduled for May 20. It is hoped that the team does well at the meet.

THE TEAM IS AS FOLLOWS...

FRONT ROW: Lisa Trotalli, Laura Hien, Kim Schneider, Janet Yale, Laura Young, Pam Berkahn, MIDDLE ROW: Jill Neumann; mgr., Lisa Storm, Sue Forster, Sue Hilgendorf, Miss Moore, Melanie Walter, Lois Mueller, Debbie Bernhardt; mgr. THIRD ROW: Leslie Frey, Deb Schiefelbein, Cindy Joiner, Cindy McGill, Liz Kramer, Kathy Titschler, Lois Drews, Sue Boehm.

GIRLS TRACK IS . . .

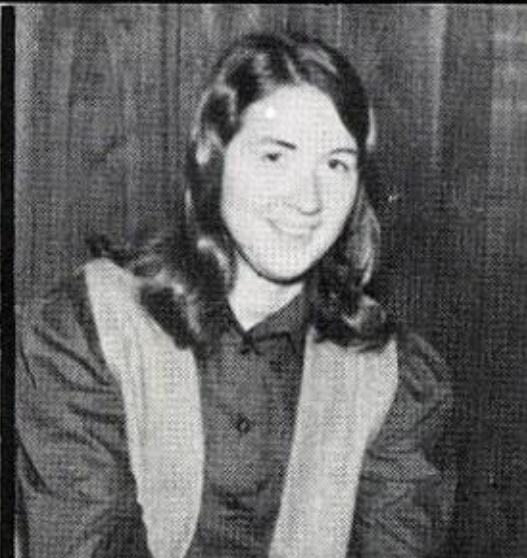

"... an up' n' coming sport for the girls. This twenty girls worked hard for a very short season, we found success with many new school records set and spirit if Christian fellowship and sportsmanship developed that will be remembered." Miss Moore

"... excruciating pain and it builds individuality. The season was great and we have alot of new hopeful prospects." Cindy Joiner '75

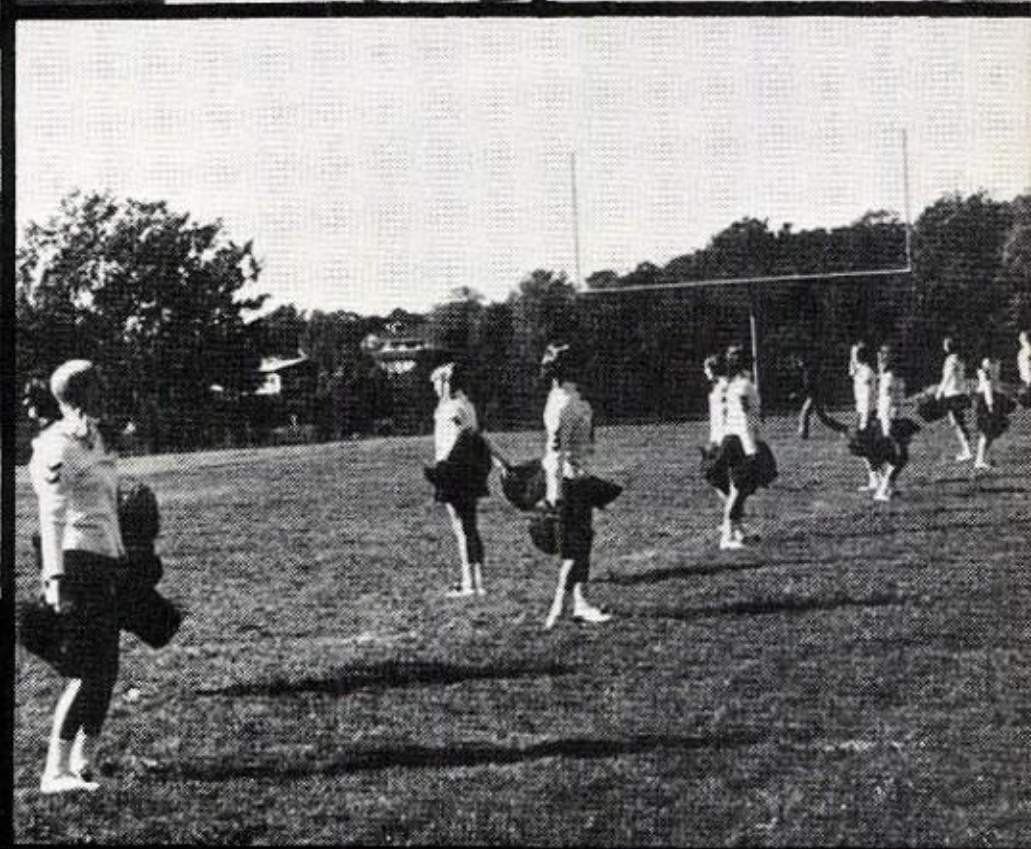

"... alot of hard work. The season was short considering the amount of practices spent. We should try to get the whole school involved at the meets." Pam Kray '75

"... excellent opportunity to show that boy's aren't the only athletes. We've broken many records and have high hopes of breaking more!" Mary Lou Christianson '75
